Date: 21st February 2019

Time: 03 pm

Guest Lecture -“Insect In Relation To Man”

- **Aims and objectives –**

1. Exchange of ideas and interaction between educational institutes.
2. To make students exposure to recent development in subject.
3. To increase co- ordinations and collaboration between institutes.

- **Participants –** All Botany and Plant protection students

- **Description –**

One guest lecture per term was organized for all botany students. Eminent Personalities in respective fields were invited for talk. Each talk was followed by question answer session.

- **Outcome –**

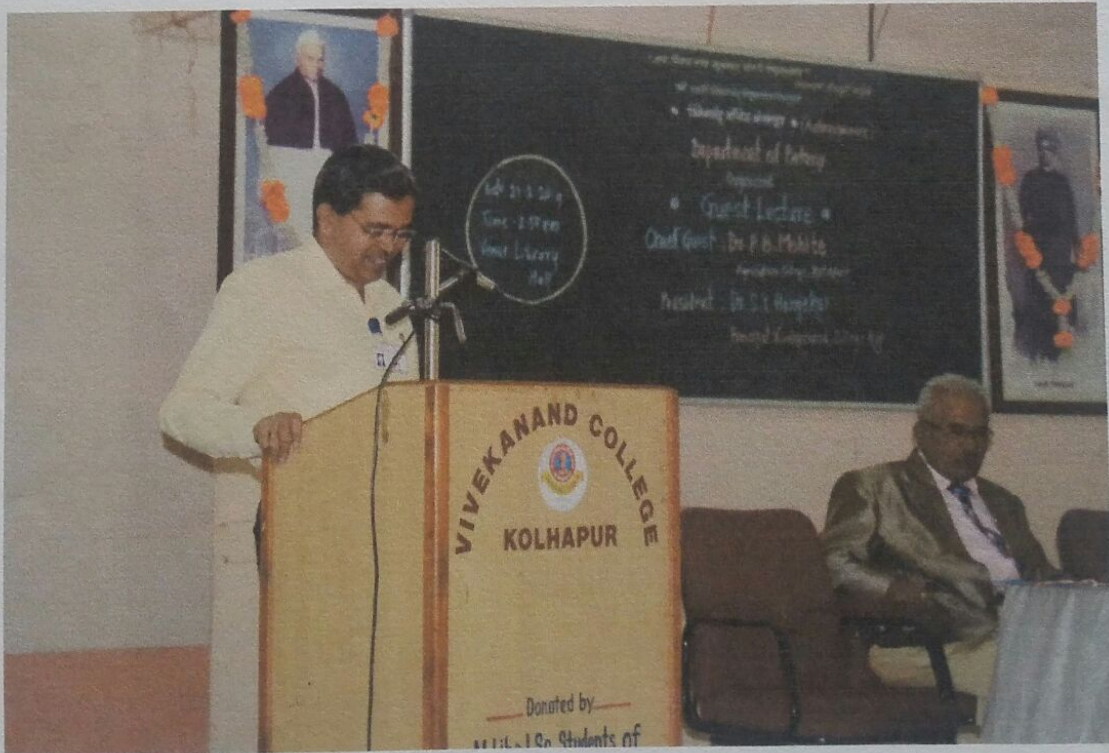

Students were immensely benefited by this activity. They got to know the recent development in different fields of botany.
