One Page Report on "Visit to Lead Botanical Garden Shivaji University, Kolhapur"

Department of Botany of Vivekanand college, Kolhapur (Autonomous) has organized a visit to at Lead Botanical Garden, Shivaji University, Kolhapur on 10th November 2022. The visit was arranged for B.Sc. III Botany students. The main purpose of this visit was to enhance students understanding related to plant diversity, conservation and research. The botanical garden, with vast collection of plant species, served as an excellent platform for students to observe and learn about various aspects of botany. The plant material was collected by the students for the further study for practical and also for preservation. During our visit, we participated in a guided tour conducted by expert botanists who shared their expertise, answered our queries and enriched our understanding of the plant kingdom. We had the opportunity to interact with researchers and understand their ongoing projects related to plant genetics, tissue culture and biodiversity conservation.

The visit to the leading botanical garden in Shivaji University, Kolhapur, was an enriching and captivating experience for the B. Sc III students. It provided us with a unique opportunity to witness the wonders of plant diversity, understand the importance of conservation.
