One Page Report on World Wetlands Day

World Wetland Day (WWD) is celebrated every year on 2nd February to commemorate the signing of the International Treaty, 'Ramsar Convention on Wetlands - 1971' for the conservation of wetlands at the global level. India is also a party to the Convention since 1982, and has so far identified 26 wetlands as Ramsar sites across the country covering 15 states. The theme of World Wetlands Day 2023 is “**It's Time for Wetlands Restoration**”. Celebration of World Wetlands Day aims at creating awareness of the vital role of wetlands for people and planets. These wetlands are the parts of the earth where the soil is covered with water, they support both terrestrial and aquatic species. It serves as an important water reservoir for various migratory birds species and homes of many creatures. Therefore this venue was selected to celebrate WWD-2023.

Due to its historical importance and various scenic tourist spots, located within its vicinity, Rankala Lake forms one of the famous tourist destinations in Dist. Kolhapur and tourism activity is growing fast around Rankala Lake. It is located on the western side of Ambabai temple, it is a popular evening spot and recreation centre. The Lake is surrounded by Chaupati and other gardens and it is a very famous tourist attraction for people from all over the world. This result in tremendous pressure on Rankala Lake and surrounding wetlands. It is more prone to various liquid and solid pollution such as plastic bottles, plastic wrappers, glass bottles, thermocol etc.

To celebrate the WWD, students of B.Sc. I, II & III boys and girls (Botany Department, Vivekanand College, Kolhapur), teachers of Botany, local nature lovers and citizens were invited and over 110 participants thus participated in this event. The Programme (Programme was

started with an introductory talk by Miss. Prachi Maskar (B.Sc. III, Botany Student) in Marathi followed by Miss. Shruti Thorat (B.Sc. III, Botany Student) in English, which emphasize topic such as why to celebrate WWD, types of wetlands, importance and Conservation strategies of wetlands. During this celebration a **rally** was organized on Rankala Lake campus in which student's aware local people with various slogans regarding wetlands. After rally "**Clean Drive**" around the lake was organized in which students and all others participated. Participants were provided with jute bags, gloves and hand wash. They collected non-biodegradable waste lying around the lake and the waste thus collected was disposed off.

विवेकानंद महाविद्यालयात जागतिक पाणथळ भूमी दिन साजरा

Global
Times
(Newspaper)

कोल्हापूर : विवेकानंद कॉलेजच्या वनस्पतीशास्त्र विभागातील बी.एस्सी.भाग १, २ व ३ च्या विद्यार्थ्यांनी जागतिक पाणथळ भूमी दिन साजरा केला. दरवर्षी २ फेब्रुवारी हा दिन जागतिक पाणथळ दिन म्हणून साजरा केला जातो.

अनेक ठिकाणी उथळ पाण्याने झाकलेल्या व विविध प्रकारच्या गवतांनी आणि झुडूपांनी भरलेल्या जमिनी आपणास आढळतात. त्यांनाच पाणथळ भूमी असे म्हणतात. यामध्ये मुख्यतः नदी, तलाव, सागरी किनारे ही नैसर्गिक ठिकाणे तसेच कृत्रिम तलाव, कालवे, मिठागरे, शेततळी, भाताची खाचरे अशा स्थळांचाही समावेश होतो.

जैविक वैविध्याला जीवंत ठेवण्यात आणि ते वाढविण्यात पाणथळांची भूमिका अत्यंत मोलाची असते. त्यामुळे या ठिकाणांचे संरक्षण आणि संवर्धन करणे या उद्देशाने हा दिवस साजरा केला जातो.

यावेळी वनस्पतीशास्त्र विभागातील शिक्षक व विद्यार्थ्यांनी रंकाळा तलाव येथे पर्यावरणपूरक काम केले. तेथील प्लॅस्टिक कचरा, पाण्याच्या बाटल्या, तण काढून तेथील परिसर स्वच्छता केली, त्याचबरोबर प्रभातफेरी काढून समाजाला या विषयी माहिती दिली. याप्रसंगी श्रुती थोरात व प्राची मस्कर या विद्यार्थिनींनी आपल्या मनोगतात पाणथळ भूमीचे महत्व समजावून सांगितले. महाविद्यालयाचे प्राचार्य डॉ. आर. आर. कुंभार यांच्या मार्गदर्शनाखाली या कार्यक्रमाचे नियोजन विभागप्रमुख डॉ. बी. टी. दांगट यांनी केले. या कार्यक्रमासाठी प्राध्यापक, विद्यार्थी मोठ्या संख्येने उपस्थित होते.
