**2. Name of Organized Activity:** “Plantation Activity”

**3. Date/ Duration:** 10<sup>th</sup> January 2023

**4. Aims and Objectives:**

1. Environmental conservation – The primary aim of a plantation activity is to contribute to environmental conservation efforts.

2. Awareness and Education – The plantation activity serves as an opportunity to raise awareness and educate students, faculty about the importance of trees and their role in maintaining a healthy environment.

3. Campus beautification – Planting trees and creating green spaces on the college campus which increases the visual attractiveness and creates a more pleasant and welcoming environment for everyone.

**5. No. of beneficiaries:** 40

**6. Expenditure & funding agency:/collaborators:** No

**7. Brief description:**

The Department of Botany of Vivekanand College, Kolhapur (Autonomous), has conducted a plantation activity on 10<sup>th</sup> January 2023 at 10.30 am. This activity organized with the aim of raising student’s awareness about environmental issues and fostering a sense of responsibility towards nature. Students can participate in activities such as digging holes, planting sapling, watering and mulching. This hands-on experience allows them to develop a

deeper connection with nature and understand the efforts required for maintaining a green environment and placing labels near planted trees can provide students with ongoing educational opportunities. These signs can include the name of the tree species, its ecological benefits and interesting facts about its growth and development. This helps students to learn and appreciate the role of each tree in the overall ecosystem.

**8. Outcomes:** (whether the aim achieved):

1. Planting trees and vegetation on campus can improve the overall air quality, and create a more pleasant and peaceful atmosphere for everyone on campus.
2. Plantation activities offer excellent educational opportunities for students.
