Guest Lecture on 'Indian Forests and their Restoration'

21st March 2022

Department of Botany, Vivekanand College, Kolhapur (Autonomous) organized a guest lecture on '**Indian Forests and their restoration**' by **Prin. Madhukar Bachulkar** on Monday, 21st March 2022 on the occasion of 'International Forest Day'. The speaker was introduced by Dr. B. T. Dangat, Head, Department of Botany. Prof. Bachulkar said that, forests are important and play vital role in biodiversity conservation. As per the geographical conditions, there are different types of forests and these forests help to conserve floral and faunal biodiversity. So, there is need to restore these forests for sustainable development. Total 31 students were present for the guest lecture. Anchoring was done by Ms. Snehal Wadkar and vote of thanks given by Dr. B. N. Shinde.
