Report of Seminar Presentation

Department of Botany, Vivekanand College, Kolhapur (Autonomous) has conducted seminar of B.Sc III students on 26th April 2022. Students of B. Sc III actively participated and presented the seminar on various topics. Students presented their topic with full of study enthusiasm as well as power point presentation with recent and relevant literature. Due to seminar students confidence and their stage daring is effectively improved. Such type of seminar activities will be helpful for the overall development and confidence build up among the students.
