### Quality Initiatives/ Activities Report

1. **Name of Department:** Chemistry
2. **Name of Organized Activity:** Wallpaper Presentation on the occasion of International Year of Periodic Table 2019
3. **Date Duration:** Saturday, 26-09-2019
4. **Aims and Objectives:**
  - To understand the presenting a wall paper provides excellent practice in explaining quickly and clearly why your project is important and what your findings mean a useful skill to apply when revising a speech or paper on the same topic.
  - Poster presentations are an excellent platform to improve your presentation skills. One advantage is that those poster sessions allow you to explain your wallpaper differently. You can present as short as 3 minutes but can go up to 15-20 minutes. You also learn to communicate your work visually and verbally to a broader audience.
  - The students have to know the wallpaper presentation's purpose is to visually communicate the latest topic in a quick, efficient, and effective manner
5. **No. of beneficiaries:**
  - No participants = 36
6. **Expenditure & funding agency:** Vivekanand College, Kolhapur
7. **Brief Description:**

The department of chemistry organized 'Wallpaper Presentations' for undergraduate students, with Mr. S. M. Ruikar, the Head of the Department of English at Vivekanand College, Kolhapur, as the chief guest. He motivated the students to create posters for the benefit of society and appreciated their hard work and unique thoughts. Dr. D. B. Patil, the Head of the Department of Chemistry, also shared his views on the arrangement of wallpaper presentations. The vote of thanks was given by Dr. S. D. Shirke.
8. **Outcomes:**
  - The event provided a platform for them to share their research findings, innovative ideas, and insights on various topics related to field of study.
  - The students have ability to effectively communicate complex concepts through visual means. This experience likely enhanced their presentation skills, research capabilities, and overall confidence.
