

Department of chemistry  
Vivekanand College, Kolhapur  
4 January 2022

To ,  
The Principal,  
Vivekanand College , Kolhapur.

Subject : Permission to use Bapuji Salunkhe Smritibhavan passage to  
conduct Poster presentation competition.

Respected Sir,

The department of chemistry has organized a poster presentation competition on 06/01 2022, the students of B.Sc- III and and M.Sc.- I and II have participated in this competition. It is convenient to arrange and judge the posters sequentially in the passage of Smritibhavan, We request you to give us the permission for the same.

Thank you sir.

Your's faithfully,

A handwritten signature in black ink, appearing to read "S. D. Shirke".

Dr. Mrs. S. D. Shirke

### Quality Initiatives/ Activities Report

**1.Name of Department:** Chemistry

**2.Name of Organized Activity:** Poster Presentation Activity

**3.Date :** 06/01/22

**4. Duration:** 12.30- 3.30 pm.

**5.Objectives:**

- To make awareness among the students of Arts, Commerce and Science about the importance of science and to promote the necessary skills of creativity, drawing, painting and thus to enhance their imagination power.
- Other skills required to make the science related posters and models on current problems , expected solutions by using the different accessories.
- Students will experience the importance of unity which will lead them to reach a target successfully.

**6. No. of beneficiaries:**

- No. of participants = 150

**7. Expenditure & funding agency:** Department of Chemistry,  
Vivekanand College, Kolhapur.

**8.Brief Description:** Department of chemistry organized a Poster Presentation Competition for the students of M.Sc. and B.Sc. course on 06/01/22 in the passage of Bapuji Salunkhe Smritibhavan.

The graduate and postgraduate students were promoted to prepare the posters on science subjects , current problems in society like air pollution, water pollution, soil pollution , noise pollution ,water harvesting, Green chemistry , Advanced methods for synthesis etc. It helps to increase the scientific view of the students and they get inspired to make carrier in higher education, in research field and in industries.

The honorable Principal of our college Dr. R. R. Kumbhar sir inaugurated this event at 12.30 noon. They guided our students about the vital importance of Science in our lives.

The chief aim of the poster presentation competition is to make aware the students about the importance of ozone, ozone layer in stratosphere, current knowledge in various fields of science – physics, chemistry, botany, zoology, biotechnology and research going on , and applications in fields of technology, electronics, and nanomaterial science etc.

Students will experience the importance of team work and will learn how the team work achieves the expected target in a very good manner.

Total 40 students have participated the competition including B.Sc.-III and M.Sc.-I and II students. The subjects of the posters included in the competition were Depletion in Ozone layer, applications of Solar energy, role of Metal Complexes, Factors affecting depletion of Ozone layer, Renewable energy sources, Biodiversity, Save Ozone –Causes and solutions.

Students have done the task with a lot of joy, enthusiasm and curiosity. Number of students of B.Sc.-I, II and the students of other subjects , physics, zoology, botany, comp. science visited the event at department of chemistry. The faculty of other departments also visited the same and congratulated the students.

The faculty of Computer Science-Dr. Mrs. Rajashree Patil and Dr. Dangat (Department of Botany ) were the experts, they examined the posters to draw the three numbers .For first, second and third numbers prizes were distributed to promote them and to give inspiration to work hard to achieve the bright future.

#### **9. Outcomes :**

The students came to know the concepts and ideas in specific scientific method, how to explain and exagurate them with the help of suitable diagrams and to draw them in proper manner and writing the phenomenons , reaction mechanisms as they themselves participated in that matter.

The students of other departments in Arts and Commerce visited the event and it became easy to understand themselves the new ideas in science era .
