## *Academic-Industrial Tour*

*Organized by*

*B. Sc. III Chemistry*

The purpose of B.Sc. is not only the theoretical learning inside the classrooms or just to complete the syllabus but its sole objective to have practical edge with all basics scientific aspects. Nowadays, Academic-industrial interaction is very important as far as the practical knowledge is concerned and it is prime requirement of the present day time.

As per syllabus B. Sc.III Chemistry students along with teaching staff of Chemistry Department, Vivekanand College, Kolhapur have arranged one days Academic-Industrial Tour on 27<sup>th</sup> January 2023 at Goa

- **Date:** 27<sup>th</sup> January 2023
- **Total number of students participated in tour :** 42(Girls-18& Boys-24)
- **Tour Incharge:** Mr. S. S. Kadam & Dr. A. A. Patravale
- **Time of Departure:** 07.00 am from College on 27<sup>th</sup> January 2023
- **Time of Arrival:** 12.00 pm at night at College on 27<sup>th</sup> January 2023
- **Tour Route:** Kolhapur→Gaganbavda→Kankavali →Goa → On the date of 27<sup>th</sup> January we two staff members of the Department of the Chemistry and 28 students of B.Sc.II Chemistry gathered at the premises of our Vivekanand College, at around 07.00 a.m. We have started our journey towards the Goa. Within the journey we have crossed town places such as Gaganbavda→Kankavali, Goa at around 1p.m. we reached at Goa After taking the refreshments we then moved towards national forensic science university at around 2 p.m.

The transit campus of NFSU is currently situated at Curti, Ponda, nestled among the lush greenery in the small coastal state of Goa while the permanent campus is being established in the picturesque town of Dharbandora in South Goa. The campus is involved in teaching, research, training and consultancy for Forensic Science, Cyber Security, and allied fields. It has dedicated laboratories for Forensic Physics, Forensic Chemistry, Toxicology, Forensic Biology & DNA, Questioned Documents, Cyber Security and Digital Forensics.

Hon'ble Dr. J. M. Vyas, the senior most Forensic Scientist in India and Padmashree awardee is the Vice Chancellor of the NFSU.

Prof. Naveen Kumar Chaudhary, who is a well-known Cyber Forensic expert with rich experience of more than 25 years in Cyber Security, is the Campus Director of NFSU Goa Campus.

Prof. Naveen Kumar Chaudhary us a brief power point presentation about university and induction of various departments. After the brief presentation Prof. Naveen Kumar was conduct the group discussion with our students owing to this secession student acquire good understanding and knowledge about the Foresensic science Furthermore, we visited to research and development department .

Campus Director  
National Forensic Science University

**Subject:** 'Visit to your university dated 27<sup>th</sup> Jan 2023.

Dear Sir,

It gives me great pleasure to inform you that Vivekanand College (Autonomous), Kolhapur is conducting B.Sc. course in since 1964 and most of our past students working in R & D laboratories in Industries, National Laboratories, private organization even in abroad. In this connection, your university is reputed and well-known educational institute in India.

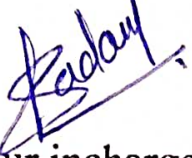

Date of visit is 27<sup>th</sup> Jan 2023 in office hours. This visit is purely academic and is the part of their regular curriculum. The students have to submit the study tour report to the college at the time of their VI<sup>th</sup> semester examination. Therefore we request you sir, please grant permission for visit.

Your co-operation will be highly appreciated.

With warm regards
