Quality Initiatives/ Activities Report

- 1. Name of Department:** Chemistry
- 2. Name of Organized Activity:** Poster Presentation Activity on the occasion of Science Day.
- 3. Date:** : 28 February 2023.
- 4. Duration:** 12.30-3.30 pm
- 5. Aims and Objectives:**
 - To make awareness among the students of Arts, Commerce and Science about the importance of Science and necessary skills of drawing, painting.
 - And other skills to make the science related posters and models by using the different accessories.
 - Students will experience the importance of unity which will lead them to a target successfully.
- 6. No. of beneficiaries:**
 - No. of participants = 140
- 7. Expenditure & funding agency:** Department of Chemistry,
Vivekanand College, Kolhapur
- 8. Brief Description:** Department of Chemistry celebrated the Science Day through the Poster Presentation Competition for the students of B. Sc. - III and M. Sc. - I and II.
The honorable Principal of our college Dr. R. R. Kumbhar sir inaugurated this event at 12.30 noon. The chief aim of the poster presentation competition is to make aware the students about the importance of science, current knowledge in various fields of science – physics, chemistry, botany, zoology, biotechnology and research going on , and applications in fields of technology, electronics, and nanomaterial science etc.
Students will experience the importance of team work and will learn how the team work achieves the expected target in a very good manner.
Total 50 students have participated the competition including B.Sc.-III and M.Sc.-I and II students. The subjects of the posters included in the competition were Activated Carbon, Green Hydrogen, Milletes constitution, Role of Folic acid in Pregnancy, Renewable energy sources, chemistry of chocolates,etc.
Students have done the task with a lot of joy, enthusiasm and curiosity. Number of students of B.Sc.-I, II and the students of other subjects , physics, zoology, botany,

comp. science visited the event at department of chemistry. The faculty of other departments also visited the same and congratulated the students.

The faculty of Biotech. Dept. Mrs. S.H. Nadaf and faculty of Physics dept. Dr.S. I. Inamdar examined the posters to draw three numbers for first, second and third prizes to promote the winner students and give inspiration to work hard to achieve the bright future.

9.Outcomes :

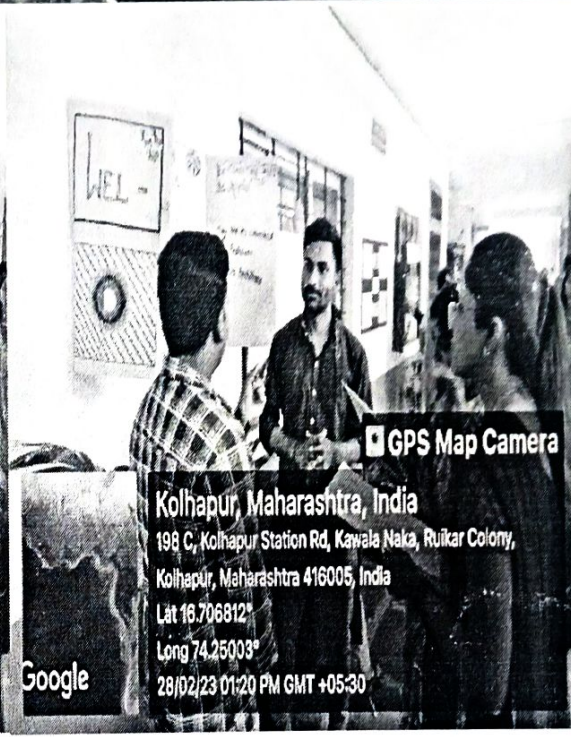

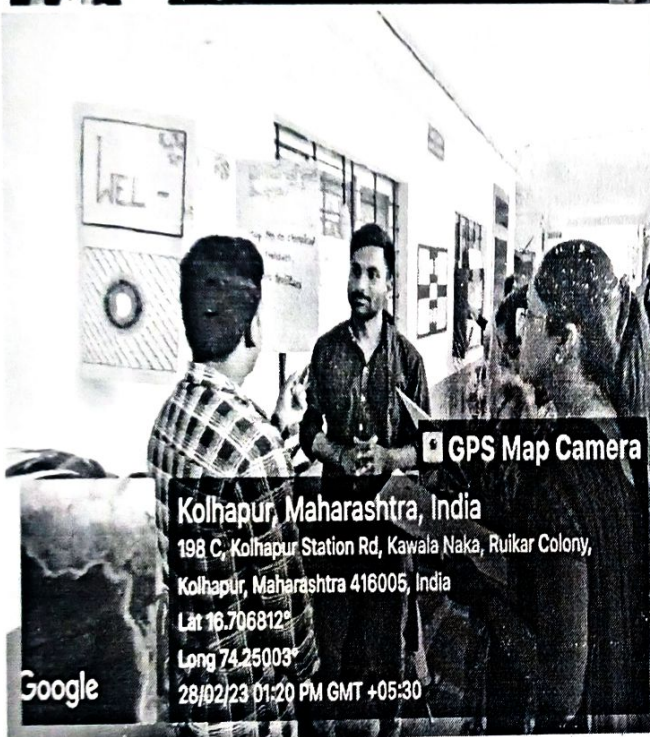

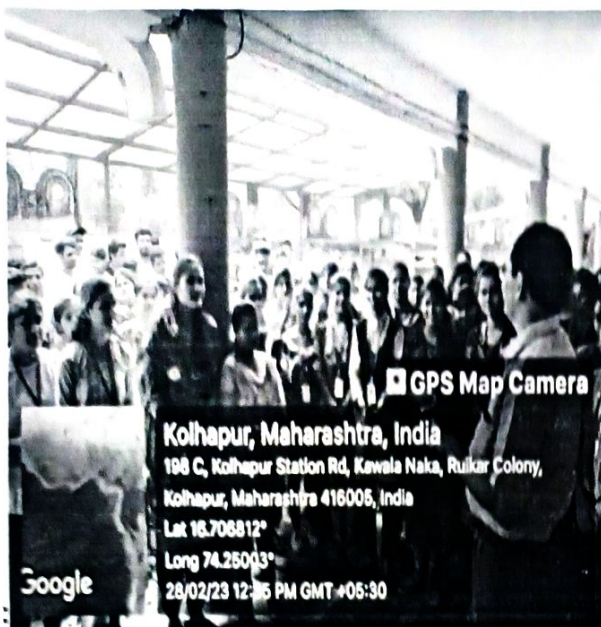

The students came to know the concepts and ideas in specific scientific method, how to explain and exagurate them with the help of suitable diagrams and to draw them in proper manner and writing the phenomenons , reaction mechanisms as they themselves participated in that matter.

The students of other departments in Arts and Commerce visited the event and it became easy to understand themselves the new ideas in science era .
