Quality Initiatives/ Activities Report

1. **Name of Department:** Chemistry
2. **Name of Organized Activity:** Seminar Activity for the students of B.Sc.-III and M.Sc.-II
3. **Date:** Throughout the year.
B.Sc.-III: Sem. V and Sem.- VI M.Sc.-II: Sem. III and Sem. IV
4. **Duration:** 2.53- 3.41 pm. In class room.
B.Sc.-III: 15 min. for each student, M.Sc.-II: 30 min. for each student.

5. Aims and Objectives:

1. To develop the stage daring for the students of UG and PG.
2. To make the students confident to face the interviews for the placements in Industries, Companies and colleges for a job opportunity.
3. It helps to enhance the personality development to have a good impression.
4. It strengthens the hard working ability of the students to grab the success and it becomes a healthy practice throughout the life.
5. Seminar activity develops the communication skill to have a good impact on examiners or judges.
6. It enhances the presentation skill of the students.

6. **No. of beneficiaries:** B.Sc. III: 95 students, M.Sc.-II: 66 students

7. **Expenditure & funding agency:** Department of Chemistry

8. Brief Description:

Department of Chemistry has already started this practice since last 10 years for B.Sc.-III and M.Sc.-II-year students and it's proved that there is a lot of benefit of this activity to them.

The students of UG and PG use to select the topic of their choice for study and each student gives the presentation on that in the classroom. He use to prepare himself for the seminar under the guidance of the related subject -faculty member. One synopsis containing the photograph of student, name, roll number along with the abstract on which he is going to deliver a seminar he has to submit to the department. All other students and teachers attend the seminar and based upon that selected topic students and teachers ask the questions to him .The record of this Seminar activity is maintained throughout the year.

9. Photos:

10. Outcomes: The UG and PG students became self-confident, they acquired good presentation skill to explain the concepts properly and get developed themselves in communication skill with each other as well as personality development also matters a lot.
