-------------------------------------	--	--

Event Type: Workshop

Event Title: Event Management: Planning and Opportunities, Event anchoring and Presentation Skills

Workshop Overview:

On a global basis, demand for increasingly extravagant and elaborate events has led to an enormous spike in demand for qualified and experienced event planners. From minor business meetings to major music festivals, the event manager serves as the linchpin that brings the whole thing together. Students will get thorough insight into the topic as well will be informed about the great opportunities in event management

Learning Objectives:

- 1: To make students aware of event management as profession
- 2: To Impart the knowledge about establishing and managing an event.
- 3: To enhance soft skills of students pertaining event management

Desired Outcome:

- 1: Be aware of event management as a profession.
- 2: Gain basic knowledge about establishing and managing an event.
- 3: Understand and develop soft skills that would help in event management

Contents of workshop:

- Introduction to event management as profession
- Event Planning(EP)
- Elements of EP
- Making Great X
- Comparing EM to PM
- Key Takeaways
- Tips for EV
