

# Vivekanand College, Kolhapur (Autonomous)

## Notice

Department of Computer Science  
Date: 20-09-2018

All the student of B.Sc. (Computer Science) I are hereby informed that Python Expert Session will be going to organize from 28-09-2018 onwards in the department. This session will be delivered by Dr. Jayant Kirtane, Hyderabad University. The interested students can inform their attendance to the said session on or before 28-09-2018 to the Mr. Jitendra Shinde.

**“Python Expert Session”**

28<sup>th</sup> September-2<sup>nd</sup> October, 2018

## Executive Summary

The department of Computer Science, Vivekanand College, Kolhapur had organized lecture series on "Python" from 28<sup>th</sup> September to 2<sup>nd</sup> October 2018. **Dr. Jayant Kirtane**, Prof. Dept. of Computer Science, Hyderabad University was invited as a speaker. During these days from 10.00am to 11.30am lectures were conducted. Sir had enriched our participated students with Python Programming Language concepts and theories. Sir had also given assignments to students for better understanding of contents of lectures. This was first kind of lecture series organized by department for new students for pushing them in to interesting world of computer science.

## Objectives

The program has been designed to keep in mind the current scenarios for computer science graduate students.

The workshop aimed the following to know the following things

- To know Python Programming Language
- To know about Programming Techniques
- To know about use of Python in different areas

## Target audience (Master Trainers)

There were 28 participants from B.Sc. (Computer Science) I students

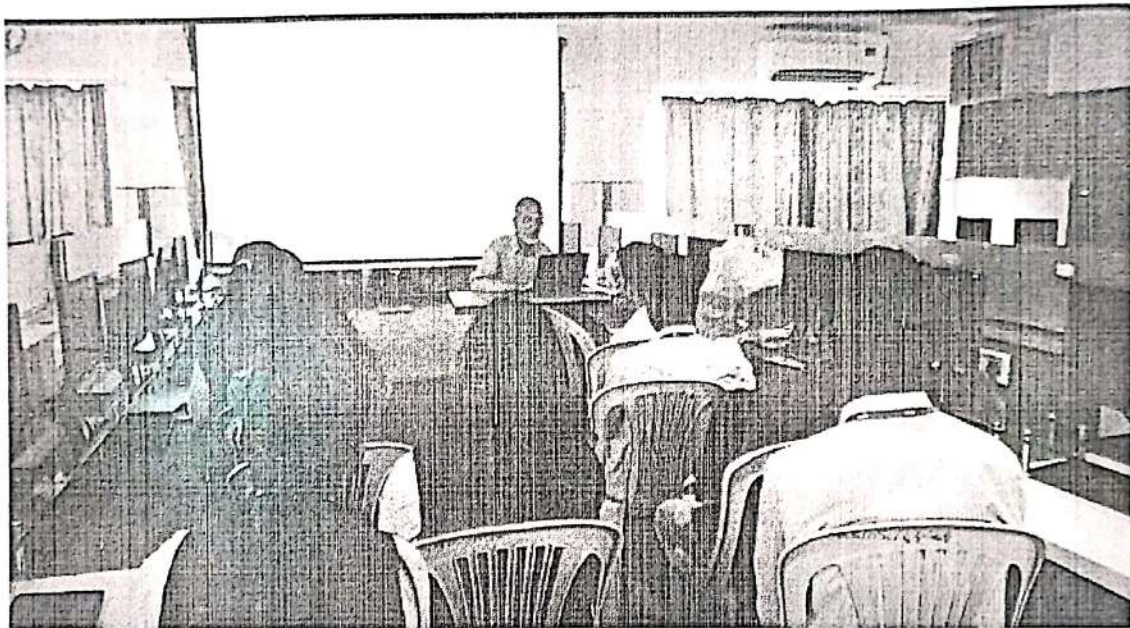

## Conclusion

This lecture series was a part of co-curricular activities. The students understood the basic concepts of python programming and its use in different application areas.
