7. Brief description:

The department of computer science always keen about to give more than required to student in all aspects related to curriculum and co-curriculum. This industry academia eminent lecture series was one of the attempts to enrich our student by giving them opportunity to meet eminent personalities and get knowledge imparted by them. This lecture series was organized in online mode by keeping in the mind of COVID-19 pandemic situation. In this lecture series we invited few eminent alumni and few guest from reputed IT companies like Facebook, Hugging Face, ResMed and organizations like Capital Markets and Carporate Treasuary, Murang's Univetsity of Technology and Vibrant Mind Technologies Ltd. We got excellent response from the students of Computer Science Department.

8. Outcomes: (whether the aim achieved)

As for this lecture series we got different personalities from different working areas, our students met and interacted with them. And got the knowledge about career opportunities, recent trends and technologies. The views and experiences shared by the guests was really informative and helpful. Surely our students get acquainted with the working experiences and fruitful knowledge shared by the lecturers.
