Very good organization

Very nice for such organising FDP Thank you.

I am very happy to join this course. All aspects in this course are very useful for teaching and learning. Thank you to Vivekanand College, Kolhapur and Spoken Tutorial IITB, for conducting such a course. Thank You.

The FDP "Moodle Learning and Management system" is useful for the creation of Moodle course. With the help of the assignments and the instructions given, we'll definitely create a moodle course for the development of the students and teachers and others who are techno savvy.
