### **Report** on Group Discussion

<b>Topic</b>	<b><i>Problems of Agricultural Marketing.</i></b>
Date	22 <sup>nd</sup> January 2019
Objective of activity	To discuss on current agricultural marketing system To suggest for efficient agriculture marketing mechanism
Class	B.Com III
Subject	Co-operative Development, Business Environment
Number of Participants	47
Coordinator	Dr. Kailas S. Patil
<b><u>Brief Description</u></b>	Agricultural marketing includes gathering the agricultural produce, their standardization and grading, their storage, sending them to the market through various middlemen, selling in the market and arranging the required finance etc.  The discussion made on current marketing system of agricultural products, different issues on problem of onion price, milk price and prices of different vegetables. The discussion starts from local market situation and it moves towards agricultural planning, market inefficiency, e-marketing system, trade unions, government policies and international trade affairs  Through this discussion students get knowledge about current marketing system and their merits and demerits. It is concluded that there is need of electronic market networking for agricultural products with support of government pricing policy.
