### Report on ***Role playing***

Topic	Market mechanism
Date	27 <sup>th</sup> February 2019
Objective of the activity	To know the various market structures with their characteristics To understand different strategies in different marketing situations
Class	B.Com I
Subject	Business Economics
Number of Participants	49
Coordinator	Dr. Kailas S. Patil
Brief Description	<p>This role playing activity runs on three rounds.</p> <p>In first round, the product white balloons given to some students for marketing. In this round they know the perfect competition condition. In second round colors and paint markers given to the same students for making product different than others and created cut-throat competition. In the last round it was single seller (student) who was the monopolist.</p> <p>Through this role playing activity students understands the perfect, monopolistic, oligopoly and monopoly market mechanism.</p>
