**A Report
on
Reading of One-Act Play**

Objectives:

- To develop a selection of pre-reading strategies to improve the likelihood of comprehension.
- To develop key reading sub-skills such as a)skimming, b) scanning, c) identifying the main ideas of texts or paragraphs, and d) guessing vocabulary from context.
- To introduce reading activity as a part of language skill development.
- To engage and give the students exposure to the readings of various one-act plays.

The reading activity will help the students to develop a lifelong love of reading and a good foundation for academic success. 'Reading of One-Act Play' was conducted for B.A. I (DSE) English students on 05/03/2019, 07/03/2019 and 09/03/2019 respectively. It was compulsory activity for all the students. The students were given freedom to select one-act plays of their choice. After reading the play a brief discussion took place among the students and faculty member.

We are thankful to our HoD, English Dept. P.A. Patil Madam and Prin. Dr. S.Y. Hongekar sir for inspiring us to conduct this activity.

Learning Outcomes:

- identify the main idea(s) in the text;
- infer meanings of unfamiliar words;
- identify author's purpose and tone;
- produce academic vocabulary appropriately orally and in writing; and
- summarize/paraphrase information in a text.
