A Report
on
Vidnyan Katha Vachan
(Science Fiction Short-Story Reading Activity)

Objectives:

- To introduce reading activity as a part of language skill development.
- To engage and give the students exposure to the science fiction stories.

As a part of Classroom activity a 'Science Fiction Short-Story Reading Activity' was conducted for B.Sc. I Comp. Eng. Students on 15-02-2019. Altogether 5 students participated and made preparations to read out one science fiction short story in Marathi language. The students were given freedom to select any sci-fi story of their choice. Each participating students took 30-45 minutes to read and explain the story. The spectator students enjoyed and indulged themselves in each of the stories. They also gave active response and feedback to the stories. After reading out of each story a brief discussion took place among the students and faculty member.

We are thankful to our HoD, English Dept. P.A. Patil Madam and Prin. Dr. S.Y. Hongekar sir for inspiring us to conduct this activity.
