A Report
On
A Workshop on Interview Techniques
11th February 2019, 11.00 A.M to 03.00 P.M

Objectives:

- To inculcate the importance of preparation prior to interviews among students.
- To outline principles and tips for successful interviews.
- To share various interview techniques.
- To give opportunity to practice the interview techniques.

Employability is the most important outcome of the education system. Hence, to acquire the skills and techniques of interview are inevitable. Considering the need of interview techniques for making our students employable the teachers of Dept. of English organized one day workshop on “**Interview Techniques**”. The present workshop aimed to develop students’ insight into the recruitment process and interview techniques. The resource person for this workshop was Prin. Dr. S. Y. Hongekar. The entire workshop was carried out by the students of B.Cs. II under the guidance of Ms. S. M. Kolekar. More than 100 students were participated in the workshop.

After the inaugural function, resource person of the workshop Prin. Dr. S. Y. Hongekar sir dealt with the topic interview techniques. He has discussed various techniques of interview. He asked the students to prepare interview panel among themselves and then he gave them training of asking questions to the candidate. As per his guidance students prepared the questionnaire for the post of ‘Software Developer’. After the guidance of resource person, students of B.Cs. II practically arranged the interview. Some of them were interviewers and others were interviewee. Whatever knowledge they got throughout the workshop, they experienced practically.

At the end of workshop we felicitate those who were participated in the practical session to inspire the students. Students were participated in the workshop with enthusiasm. Mr. Bhushan Chougale proposed vote of thanks. We would like to express our deep gratitude to the Prin. Dr. S. Y. Hongekar and Head of the Department of English Dr. P. A. Patil for their generous support.
