7.	Brief Discussion	<p>Group discussion is a unique participative activity in which students come across and express their opinion in an informal way. Various topics related to community engagement, ethics, cross cutting issues are important in point of view of students. Taking this into consideration women safety acts in India is one of the burning issues in India. Which helps to inbuilt confidence among the girl students by the constitutional protections. Further, male students insisted about strictly following the women protection acts by layman. Students discussed various burning issues and case studies about the said topic. Overall, a fruitful discussion made students thought strengthen about the protection of women by various acts.</p> <p>16 students participated actively in this thought provoking group discussion.</p>																
8.	Outcomes	<ul style="list-style-type: none">Various case studies like Manjushri Sarda Case, Bhavaridevi Case were discussed by students.Understandings of students related to Women Protection Acts broadened.
