## DEPARTMENT OF STATISTICS

### Guest Lecture

on

### “Career Opportunities in Statistics”

- **Aim:** To know scope and the career opportunities in Statistics.
- **Objectives:**
  1. To understand scope of the subject.
  2. To know the career opportunities in civil service as well as in industries.
- **Time & Date:** 24<sup>th</sup> November 2022 at 11.00 am
- **Venue:** Department of Statistics, Room No. 14
- **Resource Person:** Mr. Gajanan Patil Assistant District Planning Officer, Collector office, Kolhapur.
- **Number of students - 60** (42 G+ 18 B)
- **Number of Teachers:** 07
- **Brief description:**

Introduction of program was given by Ms. V.V. Pawar. She explained idea of arranging this lecture. She introduced the guest lecturer Mr. Gajanan Patil, Assistant District Planning Officer, Collector office, Kolhapur.

In his speech, He explained the statistical system in India. He informed about opportunities for statistics persons in civil services. He told the recruitment process of various posts through MPSC and UPSC. He highlighted various statistical methods and their importance in implementing government policies effectively. He also made us aware about reach of statistics in various aspects of society like education, industries, economic survey, mortality.

The vote of thanks presented by Ms. P.C. Patil.

#### Outcomes:

1. Students understood the opportunities and demand of the Statistics subject in society.
2. Students got information of various posts which are in civil services and process of recruitment.
3. They got idea of nature of jobs in industries and necessity of statistics in it.
4. They became happy for choosing the subject.
