

Shri Swami Vivekanand Shikshan Sanstha's  
**Vivekanand College, Kolhapur (Autonomous)**  
**Department of Zoology**  
Academic Year 2021-22

---

**Course Outcomes (COs)**  
**Zoology B.Sc. I**

**Paper I Animal Diversity**

On completion of the course, students are able to:

- CO1. Identify, classification, arrange evolutionary of phylum Non Chordates
- CO2. Understand the Non Chordates Morphology and anatomy
- CO3. Understand the economic importance of some animals.
- CO4. Understand identification, classification and history of phylum Chordate.
- CO5. Understand the basic concepts, characteristics, morphology of chordates.

**Paper II Comparative Anatomy and Developmental Biology of Vertebrates**

On completion of the course, students are able to:

- CO1. Understand the different system systems of vertebrates
- CO2. Differentiate the different system systems of vertebrates as comparative
- CO3. Understand Early and late Embryonic Development and Control of Development
- CO4. Understand Chick embryology and Development
- CO5. Perform hands on skill in developmental biology
