“WILDLIFE WEEK 2022”- (1st – 8th October, 2022)

Report

Department of Zoology, Vivekanand College, Kolhapur (Autonomous) has organized **Wildlife Week – 2022** from 1st to 8th October 2022. A Wildlife Week celebration was planned to **arouse the general awakening of the students towards the protection of wildlife**. It has decided to celebrate the event for one week by organizing some special activities connected with the importance of wildlife conservation. India is a biological hotspot, which means, it is home to a large variety of animal and plant species. India's flora and fauna are highly diversified and constitute more than 7 percent of the world's biodiversity. It also incredibly accounts for 7.4 per cent of the world's fauna. This highly biologically diversified country requires proper education and awareness to preserve this rich cover. Hence, the wildlife week was conceptualized.

The objective behind the celebration of this week is commemorated to increase the awareness among the students and faculty the role of wildlife in maintaining nature's equilibrium. Any damage done to wildlife over a prolonged period of time endangers the entire ecosystem. So, it is critical to protect it systematically, and through heart and soul. There is a symbiotic relationship between the forest, forest-dwelling animals, ecosystem services, and humans. Under this wildlife week department has organized various competitions such as- Rangoli, Animal photography, Craft model, Essay, Speech, Poster presentation, Quiz, Face and hand painting competition for students.

Inaugural function of wildlife week was organized on Saturday 01/10/2022 at 11.00 am in the Department of Zoology. Hon'ble Principal Dr. R. R. Under the supervision of Dr. G. K. Sontakke sir, all the teaching and non-teaching faculty, volunteer students of B. Sc. Part III, II and I painstakingly work to conduct the Wildlife Week successfully this year. This wildlife week celebration will definitely motivate students to promote the conservation and protection of animal life. The ultimate objective is to sensitize students, appreciate our wildlife and work towards its conservation. An aware student will drive conservation efforts locally in their communities, ensuring that the rich wildlife of the country is preserved for the generations to come. This wildlife week definitely have a small role to aware students and society to conserve and protect wildlife and move towards a healthy environment and sustainable development. No doubt this event is successful one.
