DISTRIBUTION OF DAILY NEED ITEMS IN EKI ORPHAN HOUSES

AIMS

- 1 To inculcate qualities of to assist the weaker sections of society.
- 2 To bind ourselves for the carrying responsibility of all senior citizens from our family.
- 3 To accept the heterogeneity of social and economical layers of society without any biased angle.

Society is made up of different social and economical layers. In this layers economical and social weaker sections are deprived by different reasons. Due to some unfair social things and lack of carrying responsibility in family members . Senior citizens are not properly healed . For to give the hands of help Governmental and non governmental organisations are established. An Orphan and shelter houses ran by these organizations. In this era of dynamic generation of 21st century and due to changing social structures of society new generation become very lack in to carry the responsibility of this unproductive workforce of family as well as society. The NCC department organised the distribution of cloths and food material to the orphans who lived in EKI ORPHAN HOUSES , administered by the Kolhapur municipal corporation. The Covid-19 and severe floods of Kolhapur after alternate years adversely impacts on fund raising and to maintain there daily needs and health issue. To give the financial assistant to this orphan house NCC cadets of our institute collected funds and food material with medicines. This all things are distributed in this orphan houses. This program is run under the guidance of Principal Dr R R Kumbhar, Col Manjunath Hegde, Col Ganpate the commanding officers of 5 and 6 Maharashtra NCC battalion Kolhapur.

ROLE OF INDIAN NAVY IN NATIONAL SECURITY AND MODES OF ENTRY

AIMS

- 1 To make awareness about role of defense sector in national security.
- 2 To develop our strength to become a good leader by entering in defense organization as a commissioned officer.
- 3 To know the current situation of Indian defense system.

India is strategically located what's the north of Indian Ocean and covered by Pakistan Afghanistan Myanmar from north and East side. India has its boundaries with this mentioned Nations. These are well protected and secured by the Indian army, border security force, rashtriy rifles, respective state police. But India having the coastline of 7200 km which is mostly opened to all Nations for to develop their trade and economical fare relations. It's very difficult and critical task to secure the water boundaries from the external affairs. Indian Navy the coast guard and respective state police has successfully managed this security by deploying trained skilled devoted workforce on the coast. NCC department organized the lecture on ROLE OF INDIAN NAVY IN NATIONAL SECURITY AND MODES OF ENTRY of lieutenant commander Kshitij Katke, the commissioned officer in Indian Navy and ex cadet of NCC. He has briefly explained about the national security with reference to Indian Navy and its strength. and also about preparation of SSB interview to become a commission the officer in Indian Navy. SAVE WATER –SAVE KOHAPUR

AIMS

- 1 To make awareness about the resources.
- 2 Try to keep the neatness and cleanliness of water resource.
- 3 To give scientific information about excess and improper use with reference to the sustainable future development.

Water is a precious and freely available resource on the surface of the earth. It's very essential from domestic to industrial purpose. Availability of water is useful for economical activities of the man. In India the abundant availability of water resource promote the agriculture as well as industrial development. Increasing population, development in agriculture sector and the technology development boost the industrial centres and manufacturing hubs results in huge demand for water. More intensive use of water results in severe water pollution. Water pollution results in increasing number of diseases and it obstruct the chain of aquatic ecosystem. To protect the water resource from excess use and from the pollution different campaigns has been carried by government organization and nongovernmental organizations. NCC department has going to carry community development programs under this the awareness campaigns are carried. Though NCC department participated enthusiastically the save water campaign carried by SAKAL news group at panchganga Ghat . .

Achievements

- 1 The NCC cadets are aware about the use of water resource.
- 2 They try to keep the cleanliness to avoid the water pollution as well as the sustainable development.

3. **Date/Duration:** 25/11/2021
4. **Aims and Objectives:** To help orphan children by providing economic support.
5. **No. of Beneficiaries:** 47
6. **Expenditure and Funding agency:** Nil
7. **Brief Description:** A fund collection activity was done by the cadets for the orphan children to provide a small help from our side .Cadets went to every class and gave information about it and collected fund. All children, particularly orphans, need a safe place to grow. Caring for orphans and nurturing them with the basics like food and clean clothes, and access to education increases the likelihood of them breaking the cycle of poverty and bringing change to impoverished communities.
8. **Outcome:** Sufficient fund was collected from this small initiative. A simple donation to Orphan Care can:
 - a. Clothe hundreds of orphans
 - b. Provide medical care to the severely or terminally sick
 - c. Provide children with proper education
 - d. Provide an orphan rescue kit
 - f. Feed orphanages for months
 - g. Keep the heat on in orphanages over the winter
 - h. Improve livelihoods in schools by building more classrooms

1. **Name of Department:** NCC Girls Unit
(6 MAH GIRLS BN)
2. **Name of Organized Activity:** Raising day and traffic awareness
3. **Date/Duration:** 3/01/2022
4. **Aims and Objectives:** To teach cadet how one should be helpful to everyone.
5. **No. of Beneficiaries:** 50
6. **Expenditure and Funding agency:** Kolhapur RTO office.
7. **Brief Description:** Cadets helped on duty traffic police officers in their work. It is necessary for everyone to be aware of traffic signs and road rules. Traffic signs can give you important information that can ensure your safety and the safety of those around you and awareness of road rules can lower chances of accidents. Over 15,0000 people in India are killed every year due to traffic accidents. With a per day average of 400 fatalities, India has one of the highest rates of accidents in the whole world. One of the prime reasons for these accidents is negligence of road safety norms and traffic signs. Be it a pedestrian or a person driving a car/motorcycle, having awareness about road safety norms and traffic signs is an absolute necessity in today's time.
8. **Outcome:** Cadets got to know about how actual the work is.
 Minimized Accidents and Deaths
 It's Safe for Pedestrians
 Organized Traffic
 Nullified Chaos and Danger
 Better Citizens Leading to Better Society
 Traffic signals, speed limit signs, barricades, and more such traffic regulating measures help systematic progression of traffic. A sense of discipline arises and this further minimizes the number and intensity of accidents that occur. Fatal injuries come down to minor ones when the drivers follow the speed limits.

Republic Day 26 January 2022

- Name of Department:** NCC Girls Unit
(6 MAH GIRLS BN)(5 MAH BN)
- Name of Organized Activity:** Republic Day celebration
- Date/Duration:** 26/01/2022
- Aims and Objectives:** To unite people and celebrate indian independence.
- No. of Beneficiaries:** 52 cadets , Vivekanand Shikshan sanstha staff and guests.
- Expenditure and Funding agency:** Vivekanand College,Kolhapur
- Brief Description:** Cadets came in their proper uniform and presented their patriotism towards nation. **Republic Day** is the day when India marks and celebrates the date on which the Constitution of India came into effect on 26 January 1950. This replaced the Government of India Act 1935 as the governing document of India, thus turning the nation into a republic separate from British Raj.^[1] The constitution was adopted by the Indian Constituent Assembly on 26 November 1949 and came into effect on 26 January 1950. 26 January was chosen as the date for Republic Day as it was on that day in 1930 when the Declaration of Indian Independence was proclaimed by the Indian National Congress.
- Outcome:** Patriotism rose amongst the common people present there. Patriotism is the feeling of love, devotion, and sense of attachment to one's country. This attachment can be a combination of many different feelings, language relating to one's own homeland, including ethnic, cultural, political or historical aspects.

 2. To create awareness to use minimum water.
5. **No. of beneficiaries:** Total 55 student
6. **Expenditure & funding agency:/collaborators:** NSS department and Collector office, Kolhapur.
7. **Brief description:** The Panchganga River is a major tributary of Krishna River, with which it joins at Narsobawadi. It flows through the borders of Kolhapur. There are about 174 villages in the river Panchganga basin in Kolhapur with a total population of approx. 8.75 lakhs. Most of these villages do not have any form of treatment technology for treating the wastewater generated and thus further join the river contributing to the pollution in direct and indirect ways. For sustainable development it is necessary to promote and create environmental awareness among communities, businesses and governments. Therefore the Govt. of Maharashtra and Kolhapur Municipal Corporation organizes environmental awareness programs on 22nd April 2022 at Panchganga ghat. Honorable Hasan Mushrif, Minister of Rural Development of Maharashtra, Honorable Satej Patil, Guardian Minister of Kolhapur and Dr. Kadambari Balkawade, Divisional Commissioner of Kolhapur was present on occasion of Panchganga pollution free campaign. During this event, a streetplay, powada of Mr. Azad Niakwadi and guest lecture related to the environment was organized. A large number of college NSS student's and environmentalists attended this event.
