ANTI-RAGGING COMMITTEE

One Page Report (2023-2024)

For the academic year 2023–2024, Vivekanand College, Kolhapur (Empowered Autonomous) has established an anti-ragging committee and anti-ragging squad in an effort to forbid, prevent, and eradicate the evil of ragging and preserve positive interpersonal relationships among students on campus. The Anti-Ragging Committee has been actively operating all year long to enforce the strict prohibition against ragging on college campuses. The undertaking by students regarding non-involvement in ragging act is introduced in admission process. In accordance with UGC regulations, the anti-ragging cell posted digital boards on college premises that illustrated the penal law provisions that apply to ragging incidents and their associated penalties. For additional advice and assistance, helpline numbers and website addresses have been posted on the notice board. Throughout the 2023–24 academic year, the Honorable Principal Sir and the committee members provided counseling to all college students, particularly freshmen, and provided information on anti-ragging and its effects on daily life

In order to educate the teenage students about love and common misconceptions about their relationships and love, the Department of Botany and Anti-ragging Cell organized a workshop for college students on January 18, 2024, called Prema tuza rang kasa (What is the color of love). There were 135 students and 10 faculty members present at this workshop. The workshop's goal was to increase awareness of real love relationships and the mistakes that make them. This workshop provides the teenagers with information about love. As of right now, there have been no reports of ragging incidents (zero tolerance).
