Submission Date: 13/04/2023		Submitted By: Contact :	Dr. R.R.Patil 9130067374
Activity Type:	Industrial Visit		
Activity Title:	Mehta Dairies (Sphurti Plant), Gokul Shirgaon, Kolhapur.		
Activity Overview:			
<p>Mehta Dairies (Sphurti Plant), Gokul Shirgaon, Kolhapur. In the year 1947, originally Bharat Dairy a small dairy entered into dairy business with single product i.e. Milk. With the strong trust, support of the customers and vision of Mehta family, it has become one of the leading contributor of white revolution of India. The commitment towards quality, service and timeless efforts has made this growth possible. The maturity of experience resulted into development of products bases like Curd, Cream, Ghee, Butter, Chakka etc. To cater the expectations and growing demands of market, Bharat Dairy launched the most popular Indian sweets like Shrikhand, Mango Shrikhand and Basundi. Other Milk products like Paneer, Butter and Cream were also produced and marketed under the brand name Sphurti. Really; Sphurti products have the endless taste for all celebrations & too good to resist. The ever increasing demand has scaled up their vision. In the year 1989, technologically advanced and mechanised plant was installed in the Industrial area at Gokul Shirgaon, near Kolhapur with a new name Mehta Dairies which facilitated them to process the Milk much faster & hygienically which in turn made it possible to produce hygienic, pure & tasty Sphurti products. The intention behind visiting this plant is to demonstrate the quality aspects of the agribased plant to the students.</p>			

**Learning Objectives:**

1. To know one of the leading contributor of white revolution of India.
2. To understand how the commitment towards quality, service and timeless efforts has made this growth possible
3. To identify how experience resulted into development of products bases.

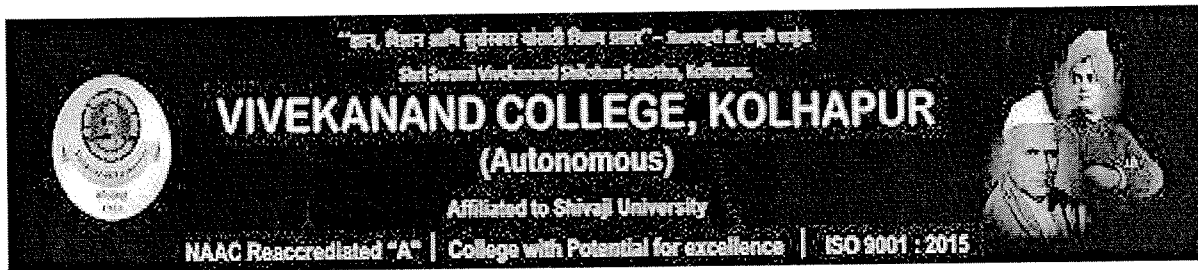

Desired Outcome:

1. Students can cater the expectations and growing demands of market
2. Students can enriched after visiting technologically advanced and mechanised plant.

Contents of Activity:

The Participant students will able to know more on----

1. Plant visit
2. Interaction with authorities
3. Felicitation of the concerned expertise
4. Having food/snacks & back to college campus
