7.Brief Description :

The Department of BCA conducted an Industrial on 11th October, 2025 at Walstar Technologies Pvt. Ltd, Kolhapur. Walstar Technologies was established in 2017 and is a web-design and mobile-app development company based in Kolhapur. They specialize in services such as website creation, e-commerce platforms, mobile application development, digital marketing and SEO. With multiple offices (including Kolhapur and overseas locations) they serve clients globally. Upon arrival, the students were welcomed by [Name, Designation], who gave an introductory presentation covering the company's background, vision and service offerings. After the introduction, the group was taken on a guided tour of the premises. Key areas observed: **Development (Web/Mobile) Department** – where designers and developers work on client projects, use technologies like HTML/CSS/JS, mobile frameworks etc.

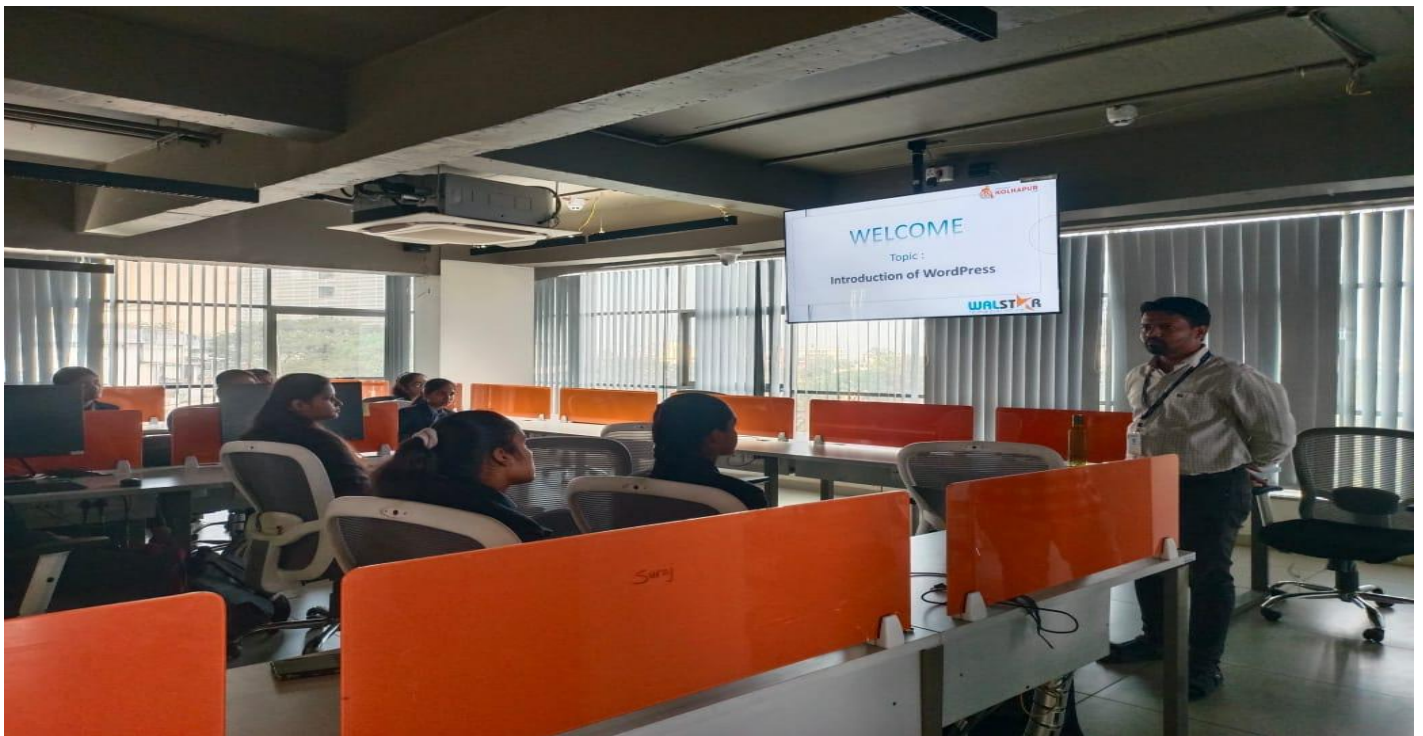

8.Outcomes: The industrial visit to “**Walstar Technologies Pvt. Ltd.**” was very beneficial for all participants. It succeeded in its objectives—giving students practical exposure to IT industry operations, clarifying how academic learning aligns with professional demands, and inspiring them to develop relevant skills. We extend our thanks to the company for the warm reception and the faculty and institution for organizing this visit.
