To,

**The Respected Principal [ Vivekanand College , Kolhapur ]**

**Subject: Proposal to Conduct Spoken English & Communication Skills Programme**

I am pleased to present a proposal to conduct a Spoken English and Communication Skills Training Programme for your participants. In today's professional world, English communication has become essential in every field—education, business, healthcare, customer service, technical fields, hospitality, and daily interactions.

Many learners face difficulties due to both technical and psychological challenges such as grammar issues, limited vocabulary, low confidence, fear of speaking, and lack of practice. Our programme is carefully designed to help participants overcome these barriers and learn English in a simple, natural, and practical way.

**About Our Programme**

We follow activity-based and student-friendly learning to ensure that every learner genuinely improves communication, reading & Writing skills, along with Personality Development skiils.

Why This Programme is Needed

English is essential in all professions.

Students often lack speaking practice and real-life usage.

Many learners face fear, hesitation, and low confidence.

Communication skills are now a key requirement for jobs and careers.

Effective spoken English helps in interviews, group discussions, presentations, and teamwork.

We request you to kindly allow us to conduct this Spoken English & Communication Skills Programme on your premises. We assure you that the session will add great value to your students/participants and bring a positive transformation in their communication abilities.

**We look forward to your positive response.**

**Thank you.**
**Warm Regards,**
**Team Leader**
