Subject: Expression of Gratitude for the Informative Session on Med Safety Week

Respected Sir,

On behalf of the management, staff, and students of Department of Biotechnology Vivekanand College Kolhapur, I would like to extend our sincere gratitude for the insightful session organized by the Maharashtra State Pharmacy Council's Drug Information Centre (DIC).

We are thankful that you delegated Dr. Abhinandan Patil from D Y Patil College of Pharmacy, Kolhapur to our institution to educate our students about the ongoing 10th Med Safety Week. The session was highly informative and successfully highlighted the crucial role of creating awareness about "Pharmacovigilance" and ensuring that every patient receives the correct and safe medication.

Dr. Patil effectively communicated the importance of monitoring, recording, and reporting Adverse Drug Reactions (ADRs) and explained the vital role pharmacists play in the chain of medicine safety. Our students found the interaction to be very enlightening.

We look forward to more such informative interactions in the future.

Yours sincerely,

S. G. Kulkarni
