Student Mentoring Scheme is a very important initiative. Through this activity, the problems & difficulties of the students can be understood & they can be guided accordingly. While working as a Mentor total 23 students were guided from B.sc - I, II, III. There were some difficulties of academics & personal problems. They included issues like examination patterns, Syllabus, carrier, aspects, Competitive exams in science post graduate studies, personal issue etc. The students were guided accordingly. Occasionally they were helped to solve the problems. This activity helped to boost the moral of the students. Improve their academic performance, confidence & clear their view regarding carrier opportunities.
