2021-22

Criteria V- Activities Report

10. **Name of Department:-** Biotechnology-Entire

11. **Name of Organized Activity:-** “Mock Test on GAT-B”- for Students of B.Sc-III Biotechnology –entire

12. **Date/ Duration:-** 20/04/2022

13. **Aims and Objectives:-** 1. The test is conducted to make the students aware of the current advancements in the entrances after graduation for M.Sc-biotechnology, integrated P.G. with Ph.D 2. To make awareness amongst the students regarding what they are going to study in post graduation Biotechnology.

14. **No. of beneficiaries:-** 110

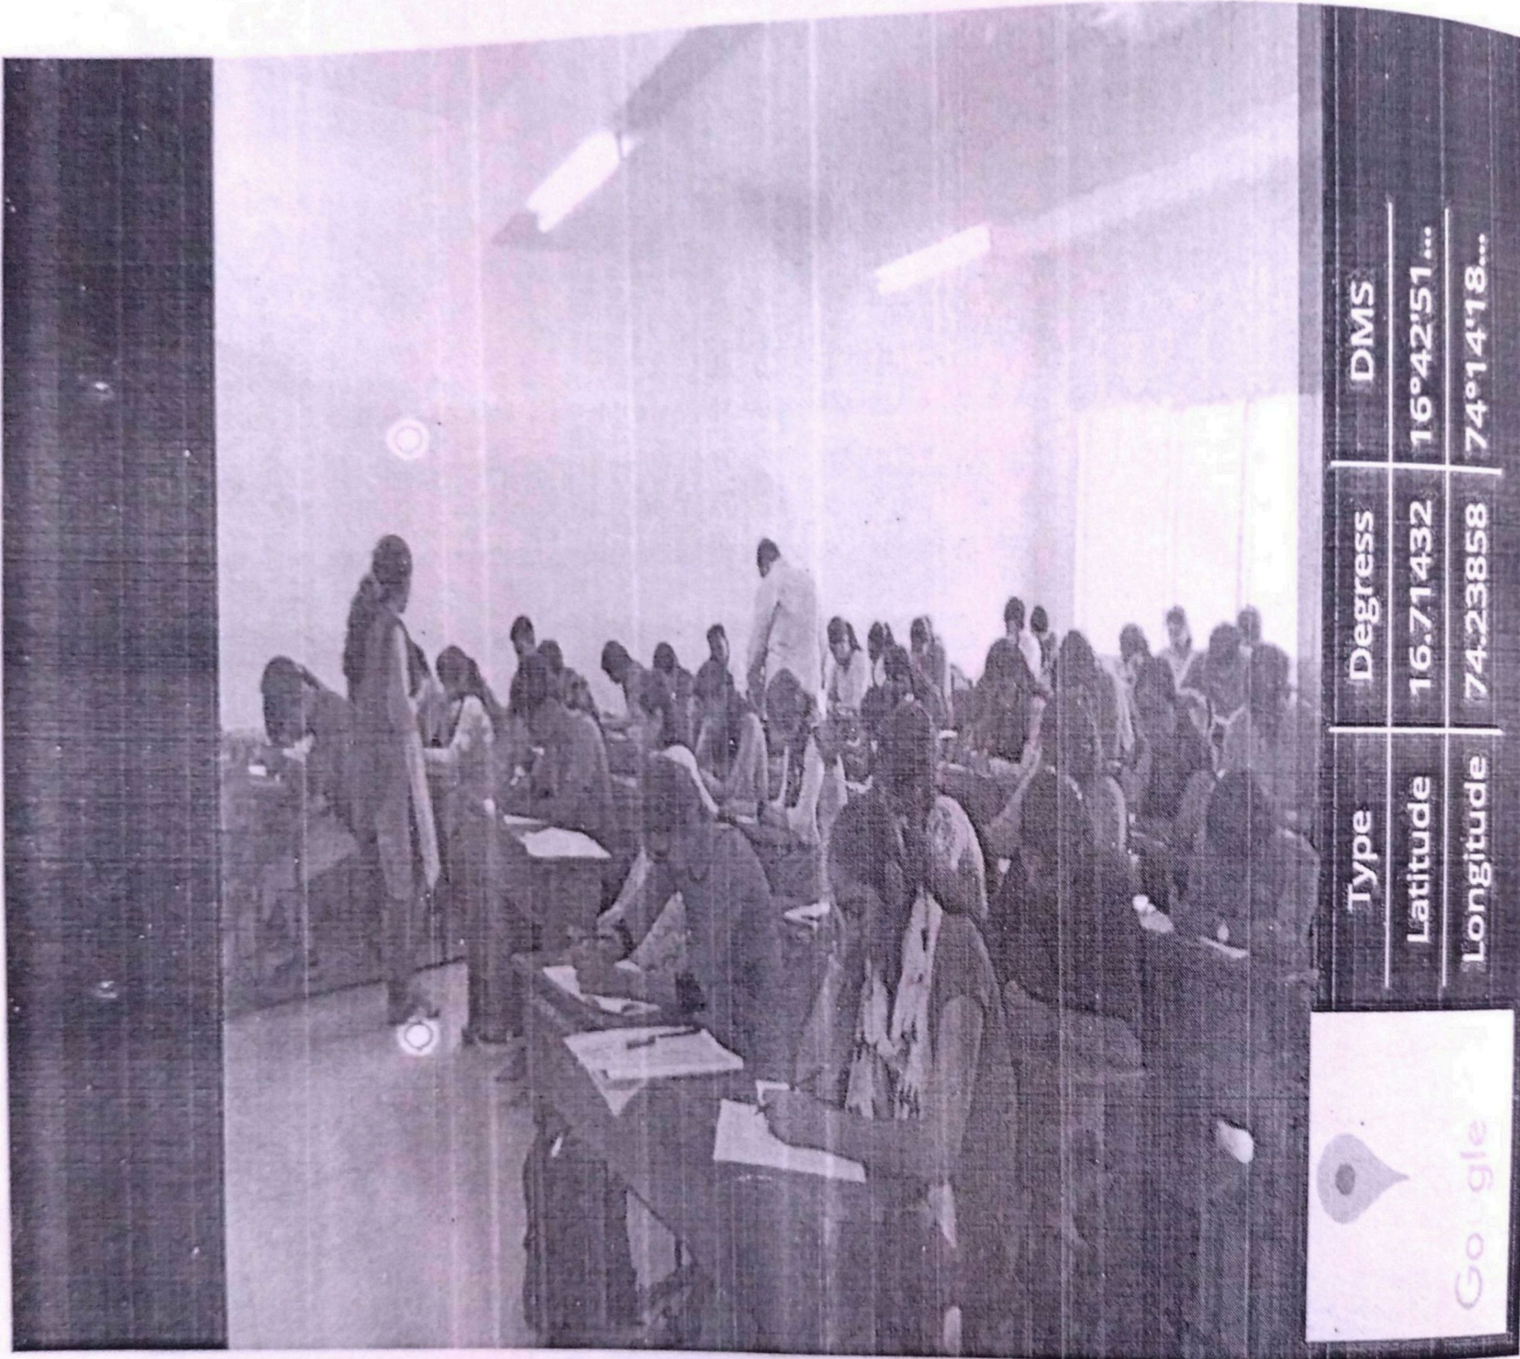

15. **Expenditure & funding agency:-** Nil

16. **Brief description:-** The MCQ Type test is conducted based on syllabus of Third year Biotechnology, Science, Biology in which apart from biology basics, Biotechnology topic included which covers discovery, scientific contribution, molecular biology, recombinant DNA- Technology etc investigations, patents, need to the society etc.

17. **Outcomes:-** Students get the idea what they know about Biotechnology and use of other life science subjects such as cell biology, botany, zoology etc for Biotechnology. Students after Qualifying GAT-B able to take admission in
