for interdisciplinary research D.Y.Patil education

Dear professor on the occasion of National science Day we cordially invite you to deliver a guest lecture on unlocking biotech career and navigating the complexity of IPR at department of biotechnology Vivekananda College Kolhapur on 28 February 2026 your expertise in biotechnology would greatly benefit our students and faculty

The lecture will be followed by question-and-answer session

Date :- 28 February 2026

Time :- 12 to 1.30

Venue :- room no 201

We look forward to your presence

Best regards

Dr. S.P. Thorat

We Sincerely thank you for delivering an insightful guest lecture "on Unlocking biotech career and navigating the complexity of intellectual property Rights" at dept of biotechnology Vivekanand college Kolhapur your expertise and engaging presentation greatly benefited our students and faculty

Your lecture on was highly appreciated and the question-and-answer session was very interactive we are grateful for your time and willingness to share your knowledge

Thank you again for contributing to our academic community

Best Regards

Activities Report

1. Name of Department: - Biotechnology-Entire.

2. Name of Organized Activity: Guest lecture on topic "Unlocking the Biotechnology careers and navigating the complexity of Intellectual Property Rights" for the students of UG and PG Biotechnology.

3. Activity organized by: Department of Biotechnology (UG & PG)

4. Date/ Duration: 28/02/2026

5. Aims and Objectives:

1. To provide students with insights into diverse career opportunities in the global biotechnology sector.
2. To introduce the fundamental concepts of Intellectual Property Rights (IPR) and their importance in Bio-innovation.
3. To guide students on the legalities of patenting, copyrights, and trademarks in biological research.
4. To help students understand the strategic intersection between scientific research and commercialization.

6. No. of beneficiaries: 84 Students & Staff Members.

7. Expenditure & funding agency: VCK Office.

8. Brief description: The Department of Biotechnology hosted a guest lecture on career guidance and Intellectual Property Rights (IPR) for undergraduate and postgraduate students. The speaker covered diverse career paths in biotechnology, including R&D, clinical research, bioprocess engineering, and regulatory affairs. A major focus was on IPR complexities, patent filing, "prior art" searches, and infringement protection. The session ended with a Q&A on portfolio building and ethical patenting. This lecture connected academic knowledge with essential professional and legal industry skills.

9. Outcomes: The activity helped students to:

1. Identify specific career niches within the biotechnology and pharmaceutical industries.
2. Understand the basic legal framework governing Intellectual Property and Patents.
3. Gain clarity on the process of transforming a laboratory innovation into a protected commercial product.
4. Develop a strategic mind-set toward research and professional career planning.
