

**Miss. SUPRIYA DINANATH POTDAR, MSc BIOTECHNOLOGY, GATE-XL ,ASRB NET,
MH-SET**

Address: A/P Rahimatpur Railway Station,
Tal -Koregaon, Dist-Satara.

E- MAIL: supriyapotdar298@gmail.com

Contact no.: +91 9172032874

Objective

I am looking for Assistant professor post to make myself knowledgeable and handling of different types of instruments that useful in Research work and provide professional development.

QUALIFIED 'NATIONAL LEVEL EXAMINATION':

GATE XL 2021

Registration No. XL21S62092012

GATE SCORE: 543

Marks out of 100: 47.67

ALL INDIA RANK IN THIS PAPER: 749

ASRB NET 2021

Registration No.227228

Roll No.4230100572

Discipline :Agricultural Biotechnology

Marks Obtained :68.33 (45.56%)

QUALIFIED 'STATE LEVEL EXAMINATION':

M SET 2021

SET Ref. No. – 2329/(SET/SEPT 2021)

Seat No-536980

Educational Qualification

Master of Science in Biotechnology (MSc): 2017-2019

First Class A Grade with 62.63 %

Shivaji University, Kolhapur.

Bachelor of Science in Biotechnology (BSc): 2014-2017

First Class with 64.38 %

Yashwantrao Chavan Institute of Science, Satara.

Shivaji University, Kolhapur.

Higher Secondary Certificate Examination (HSC): 2012-2014

First Class with 62.92 %

Yashwantrao Chavan Institute of Science, Satara.

Kolhapur Divisional Board

Secondary School Certificate Examination (SSC): 2012

Grade I with Distinction with 88.18 %

Adarsh Vidyalaya, Rahimatpur.

Kolhapur Divisional Board

Academic Project

Isolation & Characterisation of Pesticide Degrading Bacterial Isolates

Seminar Topics

- Hardy-Weinberg Equilibrium Principle: MSc II
- Structure of Collagen Fibrin Protein: MSc I

Area of Interest

Stem Cell, Cancer Biology, Cell Signalling and Communication, Genetics

Academic Practical Knowledge and Skills

- Worked on instruments UV spectrophotometer, Colorimeter, Thermal Cycler, Laminar Air Flow, Centrifuge, Compound Microscope, UV Transilluminator
 - Academic practical handling of plant tissue culture experiments
 - Good Knowledge of use of Computer
-

Online Courses

- Molecular Biology Techniques Certification course
 - Bioinformatics & Drug Discovery Certification course
-

Extracurricular Activities

- NPTEL Online Course: Experimental Biotechnology (ongoing enrolled course)
- Participant of National Webinar organised by Department of Botany, UGC - Centre of Advanced Study, Jai Narain Vyas University, Jodhpur on "Understanding & Awareness of Mucormycosis Epidemic: A Post COVID-19 Complication" at 27 June 2021
