Study Tour at Radhanagari and Kunkeshwar

6th December 2018

One Page Report

As a part of B.Sc. Curriculum, one day trip was organized to Radhanagari and Kunkeshwar by Department of Botany, Vivekanand College, Kolhapur (Autonomous) on 06th December, 2018 for semester VI (First year) students. The major objective was to familiarize the students with the wild and cultivated flora and ecology of the region. A group of 114 students were accompanied by Mr. S.B. Kubal, Dr. A.R. Kasarkar, Dr. J.M. Gorule, Ms. C.M. Dalavi, Ms. S. S. Wadkar of Botany department. The initial phase in exploring plants is to visit the open spaces close to Radhanagari so as to observe plants in their natural habitat and . Then journey started towards Kunkeshwar where all visited Kunkeshwar temple and then studied Flora of Kunkeshwar sea. Just reading curriculum books on commerce, science, management, medicine, computers, art, engineering, law, architecture, education and history doesn't help with practical knowledge attained in the real world. It's important to encourage students to develop personalities and learn in an informal setting. College students are even more encouraged and engaged to learn from these experiences.
