Study Tour at Gaganbawada

16th October 2018

One Page Report

As a part of B.Sc. Curriculum, one day trip was organized to Gaganbawada by Department of Botany, Vivekanand College, Kolhapur (Autonomous) on 16th October, 2018 for semester IV (Plant Protection) students. The major objective of the study tour was the collection and detailed study of cryptogams in their natural habitat. The plant material was collected by the students for laboratory work during practical course. A group of 35 students were accompanied by Mr. S.P. Salokhe, Dr. A.R. Kasarkar, Dr. J.M. Gorule, Ms. S. S. Wadkar of Botany department. The study tour is important not only for the identification of plants and their conservation but also for their specific habitat and ecological conditions.
