As a part of B.Sc. Curriculum, one day trip was organized to Panhala by Department of Botany, Vivekanand College, Kolhapur (Autonomous) on 25<sup>th</sup> August, 2018 for semester I (B.Sc.-III) students. The major objective of the study tour was the collection and detailed study of cryptogams in their natural habitat. The plant material was collected by the students for laboratory work during practical course. A group of 27 students were accompanied by Mr. S.P. Salokhe, Mr. S.B. Kubal Botany department. The study tour is important not only for the identification of plants and their conservation but also for their specific habitat and ecological conditions.
