One page Report of Study Tour

Department of Botany of Vivekanand college, Kolhapur (Autonomous) has organized a study tour at Gaganbawada on Monday 29/08/2022. The study tour was arranged for B.Sc. II Plant protection and B.Sc. III Botany students. The main objective of the study tour was the collection and detailed study of cryptogams in their natural habitat. The plant material was collected by the students for the further study for practical and also for preservation. Total 50 students were present for the study tour. The study tour was important for the identification of these plants and for their conservation. The specific habitat and ecological conditions of these plants were studied in the study area.
