Quality Initiatives/ Activities Report

1. Name of Department: Botany

2. Name of Organized Activity: Visit to Town Hall Garden, Kolhapur

3. Date/ Duration: Saturday 14th February, 2026

4. Aims and Objectives:

1. To study the plant diversity, ornamental plants, and landscaping techniques at Town Hall Garden, Kolhapur and to gain practical knowledge related to botany outside the classroom.

5. No. of beneficiaries: 77

6. Expenditure & funding agency:/collaborators: No

7. Brief description:

Town Hall Garden is a well-maintained public garden located in Kolhapur city. It is known for its greenery, ornamental plants, flowering beds, and large shade trees. The garden provides a peaceful environment and serves as a recreational as well as educational place for students. Various plant species including decorative shrubs, seasonal flowering plants, and avenue trees are present. Proper pathways, seating arrangements, and garden structures enhance its beauty and utility.

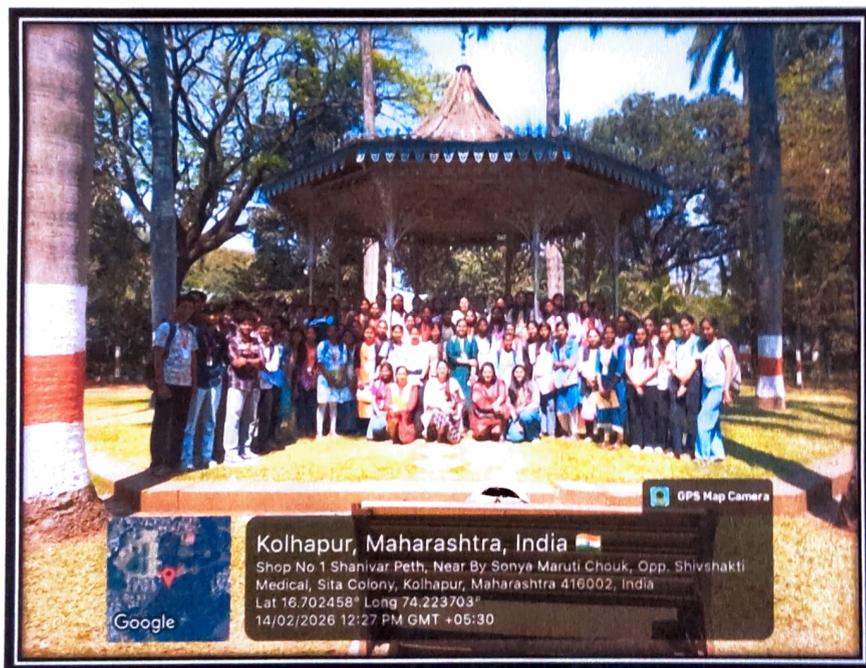

On 14th February 2026, 77 students of B.Sc. I accompanied by 4 teachers visited the garden for educational purposes. During the visit, students carefully observed plant varieties, garden design, and maintenance techniques. The visit helped students connect theoretical knowledge with practical observation. Students identified several ornamental and medicinal plants and understood their botanical characteristics. The landscaping techniques used in the garden demonstrated

systematic planting and aesthetic planning. The activity enhanced students' understanding of plant diversity, ecological importance, and conservation practices. Overall, the visit was informative, educational, and beneficial for academic learning.

8. Outcomes:

1. To study different types of ornamental and flowering plants.
2. To observe plant morphology and classification in natural surroundings.
3. To understand landscaping and garden maintenance techniques.
4. To develop interest in environmental awareness and conservation.
5. To gain practical exposure outside the classroom.
