One Page Report on Exhibition of Wild Vegetable Recipes

Department of Botany had organized an “Exhibition on wild edible vegetables and their recipes” on 16/10/2019. The event was introduced by Mr. S. P Salokhe, Head, Department of Botany introduce the function. Dr. S. Y. Hongekar, Principal, Vivekanand College, Kolhapur (Autonomous) was the chief guest of the function. For this event, Mrs. Urmila Khot worked as a examiner. Students of B.Sc. I, II and III are actively participated in this programme. In this activity, total 80 students were involved.

Wild edible plants have important role in food availability, diversification of agriculture, generation of income resources and food security. The data is generated through this exhibition gives information about the vegetable species which are common to our area. Also, the data is useful for assessment of wild leafy vegetables for their nutritional as well as medicinal value. Vote of thanks given by Dr. P.D. Patil and Anchoring by Dr. L. A. Kagale.
