7. Brief description:

Rajaram College, Kolhapur organized one day workshop on “Bamboo: A tool for achieving economic and social sustainability” on 4th March, 2023 under D. R. K. College of commerce lead college cluster. For this workshop, from Botany Department total five students and one faculty were participated. In this workshop, lead lecture of Mr. Arun Wandre on “Bamboo species: Success stories of bamboo cultivation in Maharashtra” was arranged at morning session. The afternoon session was on “Hands on training-Art of

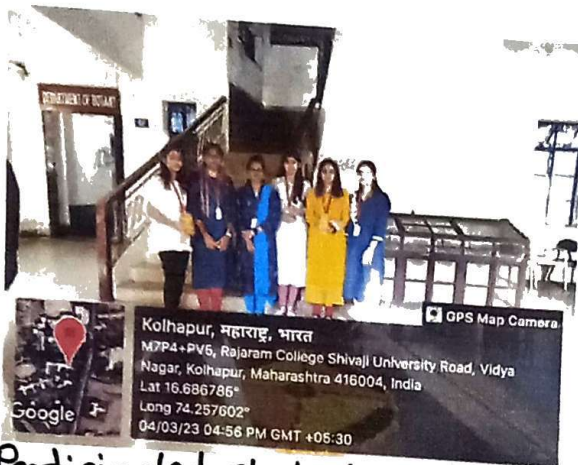

making bamboo articles". Hands on training were given by Mr. & Mrs. Suryawanshi by making groups. Each group was involved in making different bamboo articles.

8. Outcomes:

1. The sessions of all experts were informative and from their expertise, students got knowledge about bamboo and bamboo industry.
2. Through hands on technique, students got benefited by how to make of bamboo articles and idea about scope for new business opportunity.
