विवेकानंदमध्ये पर्यावरणपूरक दसरा साजरा

कोल्हापूर : एक झाड म्हणजे जैवविविधतेचे भांडार असते. अशा जैवविविधतेच्या भांडाराचे संवर्धन व जतन करण्यासाठी यावर्षी दसऱ्याचे औचित्य साधून विवेकानंद महाविद्यालयातील वनस्पतीशास्त्र विभागात पर्यावरणपूरक दसरा साजरा करण्यात आला.

आपट्याच्या झाडाच्या पानांऐवजी रद्दी पेपर, जुन्या लग्नपत्रिका, जुनी भेट कार्ड व नैसर्गिक रंगाचा वापर करून आपट्याच्या पानाच्या आकाराची पर्यावरणपूरक पाने तयार केली असून त्यावर पर्यावरण व वृक्ष संवर्धनाचे संदेश लिहिले आहेत. या पानांचे वैशिष्ट्य म्हणजे पान बनवताना त्यामध्ये वापरण्यात आलेल्या वेगवेगळ्या प्रकारच्या बिया. ही पाने कुठेही पडली तरी त्यामधून नवीन झाडेच तयार होतील. पारंपरिक सणांची

कास धरून पर्यावरणपूरक सण साजरे करून जनजागृती व्हावी या उद्देशाने या कार्यक्रमाचे आयोजन केले होते.

दसऱ्यादिवशी आपण आपट्यांची पाने वाटतो. ही पाने हाती सोपवत असताना सोने घ्या, सोन्यासारखे राहा अशा शुभेच्छा देतो. दसऱ्याच्या निमित्ताने अलीकडील काळात आपट्याबरोबर कांचन, सुवर्णकांचन इत्यादी झाडांची बेसुमार तोड होत आहे. परिणामी त्यांची संख्या कमी होत चालली आहे. बेसुमार तोडलेल्या पानांचे कचऱ्यांमध्ये रूपांतर होते. काही

जण तर आपट्यांच्या पानांन जाळून टाकतात.

कार्यक्रमास महाविद्यालयाचे प्राचार्य डॉ. आर. आर. कुंभार यांचे मार्गदर्शन लाभले. कार्यक्रमाचे उद्घाटन गणित विभाग प्रमुख प्रा. एस. पी. थोरात यांच्या हस्ते झाले. प्रास्ताविक वनस्पतीशास्त्र विभागप्रमुख डॉ. बी. टी. दांगट यांनी केले. सूत्रसंचालन विद्यार्थिनी सृष्टी कांबळे व आराधना मराठे यांनी केले. या कार्यक्रमासाठी वनस्पतीशास्त्र विभागातील प्राध्यापक, विद्यार्थ व विद्यार्थिनी उपस्थित होत्या.

Quality Initiatives/ Activities Report

1. Name of Department: Botany

2. Name of Organized Activity: Eco-Friendly Dasara

3. Date/ Duration: Saturday 21th October 2022

4. Aims and Objectives:

1. To create awareness about the conservation of *Bhuhinia racemosa* (Apata) plants.

5. No. of beneficiaries: 140

6. Expenditure & funding agency:/collaborators: No

7. Brief description:

The Department of Botany at Vivekanand College, Kolhapur, marked the festival of Dasara in an eco-friendly and socially responsible manner, emphasizing the significance of environmental conservation. The event aimed to bring awareness about the importance of sustainable practices and connect traditional festivals with modern environmental ethics. The eco-friendly Dasara celebration was organized by the Department of Botany on Saturday, October 21st, 2023, the celebration commenced with the inauguration by Mr. S. P. Thorat, Head of the Mathematics Department. Dr. B. T. Dangat, Head of the Department of Botany, delivered an insightful speech that underscored the need to align our festivals with ecological considerations and ethical principles. Dr. Dangat emphasized that while celebrating Dasara, we should also reflect on our responsibility to protect the environment and nurture sustainable practices.

A core component of this event was the engagement of students in crafting *Bahuhinia racemosa* (common english name- Bidi leaf tree; Vernacular name- Apata) plant leaves from

waste paper. These handcrafted leaves were not only aesthetically pleasing but also symbolized a commitment to sustainability. These leaves were prepared in such a way that it enclosed tiny seeds of various herb, shrub and tree species. The students prepared these leaves as a thoughtful alternative to traditional plastic and non-biodegradable materials used during the Dasara festivities. Participants were encouraged to distribute these eco-friendly leaves, making a significant statement about their dedication to environmental preservation.

8. Outcomes:

1. It served as a platform to raise awareness about the environmental impact of festivals and the importance of making eco-conscious choices.
2. The involvement further strengthened the message of sustainable living and cultural sensitivity.
