World Nature Conservation Day, 28 July, 2023

World Nature Conservation Day is recognised annually on 28 July. The main purpose of celebrating this day is to create awareness among people about the importance of the natural environment and its resources. Nature plays an essential role in supporting life on Earth, besides maintaining overall balance of the planet. The theme for World Nature Conservation Day 2023 is "Forests and Livelihoods: Sustaining People and Planet" and focuses on strategies to conserve nature, save natural resources and prevent the depletion of resources for our future generations.

Quality Initiatives/ Activities Report

1. **Name of Department:** Botany
2. **Name of Organized Activity:** World Nature Conservation Day 2023
3. **Date/ Duration:** 28th July 2023
4. **Aims and Objectives:**
 1. Raise awareness: The day is created to raise awareness about the importance of protecting our planet for future generations.
 2. Inspire action: The day also inspires people to take action towards sustainable living.
 3. Draw attention: The objective of this day is to draw attention to the threat to flora and fauna species that are endangered in the near future.
 4. Promote sustainable development: A primary objective of this occasion is to raise awareness about the necessity of sustainable development.
 5. Acknowledge individual responsibility: World Nature Conservation Day acknowledges the crucial role individuals can play in conservation endeavours.
5. **No. of beneficiaries:** 110
6. **Expenditure & funding agency:/collaborators:** No
7. **Brief description:**

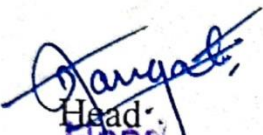

In alignment with the global commemoration, the department highlighted the importance of World Nature Conservation Day. This initiative served as a poignant reminder that every individual has a vital role in safeguarding the planet for future generations. Vivekanand College's department of botany's active participation in the day's activities underscored its commitment to environmental stewardship and its dedication to fostering a deeper understanding of nature conservation among its students and the wider community. Through such initiatives, Vivekanand College continues to play an instrumental role in driving positive change and contributing to the collective effort of protecting the Earth's precious biodiversity for a sustainable and thriving future.

8. Outcome

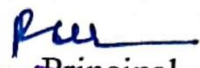

On World Nature Conservation Day 2023, the online quiz conducted by the Department of Botany at Vivekanand College (empowered Autonomous) proved to be a resounding success. With the enthusiastic participation of 110 individuals from

all over India, the quiz effectively raised awareness about the importance of protecting the planet for future generations. Through the quiz, participants gained valuable insights into sustainable living practices and the critical role individuals can play in conservation efforts. Vivekanand College's active involvement in the day's activities demonstrated its commitment to environmental stewardship and its dedication to fostering a deeper understanding of nature conservation among its students and the wider community.
