7. Brief description:

On 4th April 2025, Department of Botany at Vivekanand College, Kolhapur (An Empowered Autonomous Institute) organized the online Google form Quiz on the occasion of "International Carrot Day" to raise awareness about health benefits and information of Carrot on dated 04/04/2025.

National Carrot Day is a day for the nation to celebrate the carrot growing crop to encourage people to buy, get creative, eat, and cook with carrots. The National Carrot Day aims to show the health, farming, and domesticated animal benefits of this hugely versatile, and nation-wide loved vegetable.

This day has been created because the returns farmers make from growing carrots, which is a high risk crop, are very low. So boosting consumption by a small amount, in many homes, will support carrot farmers. Moreover, it is a cheap, versatile and highly nutritious vegetable that will benefit people's health as well as support an important vegetable in the industry.

8. Outcomes:

1. Students are aware about health benefits of Carrot.
2. Students got knowledge about carrot and its importance.
