Quality Initiatives/ Activities Report

1. **Name of Department:** Botany

2. **Name of Organized Activity:** World Pulses Day 2024

3. **Date/ Duration:** 10th February 2024

4. **Aims and Objectives:**

World Pulses Day 2024 is a global event to celebrate the importance of pulses for food security, nutrition, health, and sustainability.

1. To raise awareness and appreciation of the diversity and benefits of pulses for human and planetary well-being.
2. To promote the production and consumption of pulses as part of sustainable food systems and healthy diets.

5. **No. of beneficiaries:** 142

6. **Expenditure & funding agency:**/collaborators: No

7. **Brief description:**

World Pulses Day 2024 is a global event to celebrate the importance of pulses for food security, nutrition, health, and sustainability. The theme of the day is "Pulses: Nourishing Soil and People". An online quiz was conducted on this occasion to spread knowledge and information on pulses. The event highlighted the role of pulses in maintaining soil health and providing vital nutrition to communities worldwide. It will also showcase the best practices and success stories of pulse-based interventions and initiatives around the world.

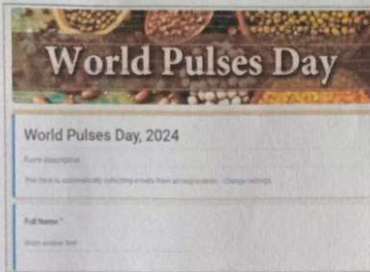

8. **Outcome**

The outcome of the online quiz conducted by Department of Botany, Vivekanand college, Kolhapur (Empowered Autonomous) on the occasion of World Pulses Day 2024 was remarkable and a great success. The quiz garnered significant participation from students and faculty, leading to heightened awareness about the vital role of pulses and its importance in nutrition. The online quiz attracted about 141 participants. The quiz tested the participant's knowledge and awareness of the diversity and benefits of pulses for food security, nutrition, health, and sustainability. The quiz also provided useful information and tips on how to grow, cook, and enjoy pulses in various ways.

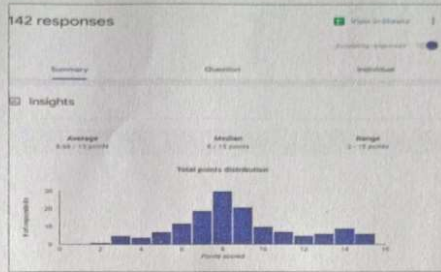

The quiz participants received certificates from the organizers. The quiz feedback was overwhelmingly positive, with many participants expressing their appreciation and interest in learning more about pulses. The quiz also helped to raise the profile and visibility of pulses as a key component of sustainable food systems and healthy diets.
