Inauguration Function

Participated Students

## One Day Workshop on – “Advances in Biotechnology ”

- **Aims and objectives –**

1. To study the recent technological advances in life sciences.
2. To give hands on experience of instruments used in research.
3. To promote research activity.

- **Participants -** Final year students - botany, zoology, micro, biotech and concerned staff.

- **Description -**

In morning session presentations were conducted on techniques like electrophoresis, spectroscopy and PCR. In afternoon session practicals were conducted on above mentioned techniques.

- **Outcome –**

Life science students actively participated and handled instruments which are used in laboratories.
