Quality Initiatives/Activities Report

1. Name of Department: Botany

2. Name of Organized Activity: Visit Report at RSCM College of Agriculture, Kolhapur

3. Date/ Duration: 10/01/2025

4. Objectives:

1. To understand the challenges faced by farmers including climate change, market volatility, and access to resources.
2. To expose students to the latest advancements in agricultural technology, such as precision farming, organic farming techniques, and sustainable agricultural practices.
3. To interact with faculty members, researchers, and extension staff to learn about their expertise and gain insights into the agricultural sector.

5. No. of beneficiaries: 11

6. Expenditure & funding agency/collaborators: No

7. Brief description:

On Friday, January 10, 2025, a one-day study visit to RSCM Agriculture College, Kolhapur is being arranged by the Department of Botany, Vivekanand College, Kolhapur (An Empowered Autonomous Institute) with Elixir Ingredients, Kolhapur. Eleven B. Sc. III students and one of the faculty member Dr. A. R. Kasarkar are present for this study visit. Students learned about the significance of many plant species throughout the visit. The purpose of visit is to inform students about career networking opportunities with agricultural experts, such as

...ers, researchers and industry representatives. Students explore agricultural labs to gain knowledge of plant pathology, soil testing, other agricultural science like biofertilizer production, vermicompost, dairy production etc. The practical skills of students in field of soil analysis, crop management, and pest control were enhanced through practical exercises and demonstrations.

8. Outcomes:

1. Students learned about various aspects of agriculture including crop cultivation, livestock management and soil science through interactions with experts.
2. Students gained knowledge about latest advancements in agricultural technology, such as precision farming, organic farming techniques and sustainable agricultural practices.

9. Photos:
