2025-26
Quality Initiatives/ Activities Report

1. Name of Department: Botany

2. Name of Organized Activity: Visit Report at RCSI College of Agriculture, Kolhapur

3. Date/Duration: 23/09/2025

4. Objectives:

1. To comprehend the difficulties farmers have, such as resource access, market instability, and climate change.
2. To introduce students to the newest developments in agricultural technology, including sustainable agricultural methods, organic farming methods, and precision farming.
3. To engage with academics, researchers, and extension agents to discover their areas of expertise and acquire knowledge about the agriculture industry.

5. No. of beneficiaries: 15

6. Expenditure & funding agency/collaborators: No

7. Brief description:

In partnership with Elixir Ingredients, Kolhapur, the Department of Botany at Vivekanand College, Kolhapur (An Empowered Autonomous Institute) is planning a one-day study visit to RCSI Agriculture College, Kolhapur on Tuesday, September 23, 2025. In addition to academic members Dr. A. R. Kasarkar, M. N. Desai, and P.P. Jadhav, 15 B.Sc. III and B.Sc. II (Major) students are participating in this research visit. Students learned the significance of many plant species during the outing. The purpose of the tour is to educate students about opportunities for career networking with agricultural professionals, such as farmers, researchers, and industry representatives. Students investigate agricultural labs to learn about the hydroponic method. Students' practical Hydroponics skills were enhanced through practical exercises and demonstrations.

8. Outcomes:

1. By speaking with professionals, students gained knowledge about several facets of hydroponics.
2. Students learned about the latest advancements in agricultural technology, such as horticulture techniques, food processing, dairy products, and plant diseases and how to treat them.

9. Photos:
