Ref. No. VCK/14/6/2021-22

Date : 15-12-2021

Memorandum of Understanding (MOU) between
Vivekanand College, Kolhapur, Maharashtra, India.
And
Elixir Ingredients, Kolhapur, Maharashtra, India.

This memorandum of understanding, (hereinafter referred to as MOU), is made and executed
on the 20st Day of November 2021 at Vivekanand College, Kolhapur (Autonomous).

This MOU is entered into with:

Vivekanand College, Kolhapur (Autonomous).

Department of Botany

A college/institute recognized under the section (2f) and 12(b) of the UGC Act 1956 and
having its address at: 2130, E Ward, Tarabai Park, 416003, Maharashtra, India.
(Herewith referred to as the "Partner Institute")

And

Elixir Ingredients

1182/76, E Ward, Mali Colony, Nivara Apartment, Flat No. 201, Kolhapur, 416008,
Maharashtra, India.

(Herewith referred to as "Elixir Ingredients")

Elixir Ingredients is a Nutraceutical company, specialized in research, development and
marketing of nutraceutical and agriculture products.

Since 2015, Elixir Ingredients has consolidated a dual position as a company that delivers
premium value added retail products targeted to specific ailments, and as a supplier of
standardized herbal & spice extracts.

From the commencement of the above mentioned MOU, the company is going to develop
agriculture products for organic farming. The MOU Agreement is designed with the purpose
of providing training in the field of Phyto-Extracts based nutraceutical food, health products
and agriculture products.

AGREEMENT(S)

It is agreed between Elixir Ingredients and the Partner Institute that:

Elixir Ingredients will undergo a collaborative linkage with the Partner Institute, with the following objectives:

1. Elixir Ingredients will work towards theoretically familiarizing the students of the Partner Institute with the application of medicinal plant knowledge for the extraction of active ingredients and preparation of medicinal formulations.
2. Elixir Ingredients will involve students of the Partner Institution in the manufacturing process of its agriculture products, which are in liquid and powder forms.
3. Elixir Ingredients will involve students of the Partner Institution in the marketing of its products in its established as well as developing supply chain of its retail products.
4. Elixir Ingredients will involve students from the Partner Institution to conduct detailed studies of our products, which includes, but not limited to, physical, chemical and phyto-chemical analysis.
5. Elixir Ingredients continuously works on New Product Development (NPD), hence, as a part of this MOU, if students from the Partner Institute are involved in NPD know-how, Elixir Ingredients will hold complete right and authority of the product developed, the work and the record of findings during the course of NPD.

This MOU, unless extended by mutual written consent of both the institutes shall expire in 3 years after the effective consent date specified in the opening paragraph. However, on review, the MOU shall be extended for another 3 years by mutual consent.
