	<p>The student mentoring scheme is a vital initiative that helps mentors understand &amp; counsel students problems &amp; difficulties. From B.Sc. II (PME group), 21 students were assigned to me. During mentoring, students academic performance in CIE &amp; external examination were discussed. Mentee's problem relating to preparations of competitive exams, reference books from library, students Id, career guidance etc. were taken up &amp; suggestions were made accordingly. The students received appropriate guidance &amp; occasional problem-solving assistance. This activity boosted mentee's morale, confidence &amp; career clarity.</p>

	<p>Mentoring has become a necessity to resolve problems relating to academics and other related issues faced by the students. Mentoring can build a healthy relationship between the students and teachers in building their discipline, performance and also for positive growth of the students. From B.Sc. I, 6 students were assigned to me for mentoring. Mentoring register is maintained to record mentor-mentee programme. During mentoring, students academic performance in internal and external exam were discussed. Mentee's problem relating to opening of ABC id, career guidance, study time table planning etc. were taken up and suggestions were made accordingly. Students were encouraged to take part in different activities. Slow learners were identified and give special help in encouragement and motivation while advance learners were encouraged to reach their full potential. Mentor is satisfied with the positive responses of the mentees and subsequent healthy out come of the sessions.</p>

	<p>Mentoring programs is to help and connect with mentees to the mentor. Through the mentoring scheme, students got help to develop their skills and knowledge and provide the guidance, support and insights needed to achieve personal goals and can also help to build confidence and self-esteem. Total 05 students were guided by me as a mentor. There were very few difficulties of students related to the academics like lack of knowledge regarding reference books, career guidance, preparing while competitive exam etc. The students were guided accordingly. This activity is useful for students as being encouraged and empowered in personal development, helped to identify personal goals and correct gaps in generic skills and knowledge.</p>
